THE DIRECTORS
ANNUAL STAFF 84-85

Who are the "DIRECTORS"? They are the people responsible for creating the yearbook. Every page must be hand drawn. Hundreds of pictures are developed, only a few are slected. Sure, it is hard work but when the book is published it is all worthwhile.

What does it take to be a "DIRECTOR"? It takes a self-starter, a creative mind, and someone who is willing to learn. Do you have these qualities? If you do maybe you can be a "DIRECTOR".

Staff Members Include:
Left to Right: Richard Jones, Sandy Seehan, Eric Stapper, Mike McGlothen, Becca Parnell, Angela Piggott, Mechelle Cain, Michelle Ozment, Trey Barlow.

PURPOSE OF A YEARBOOK

A yearbook should be a cage that captures good memories. A good yearbook can make a person feel merry when he or she looks through it in later years. When your class reunites you can drag out an old yearbook and talk about "Remember when . . ." You can also read what your friends wrote on the endsheets. I hope this yearbook serves its purpose, then I will feel I did my job.

Thank you Mr. Vela for all the fun times!!!

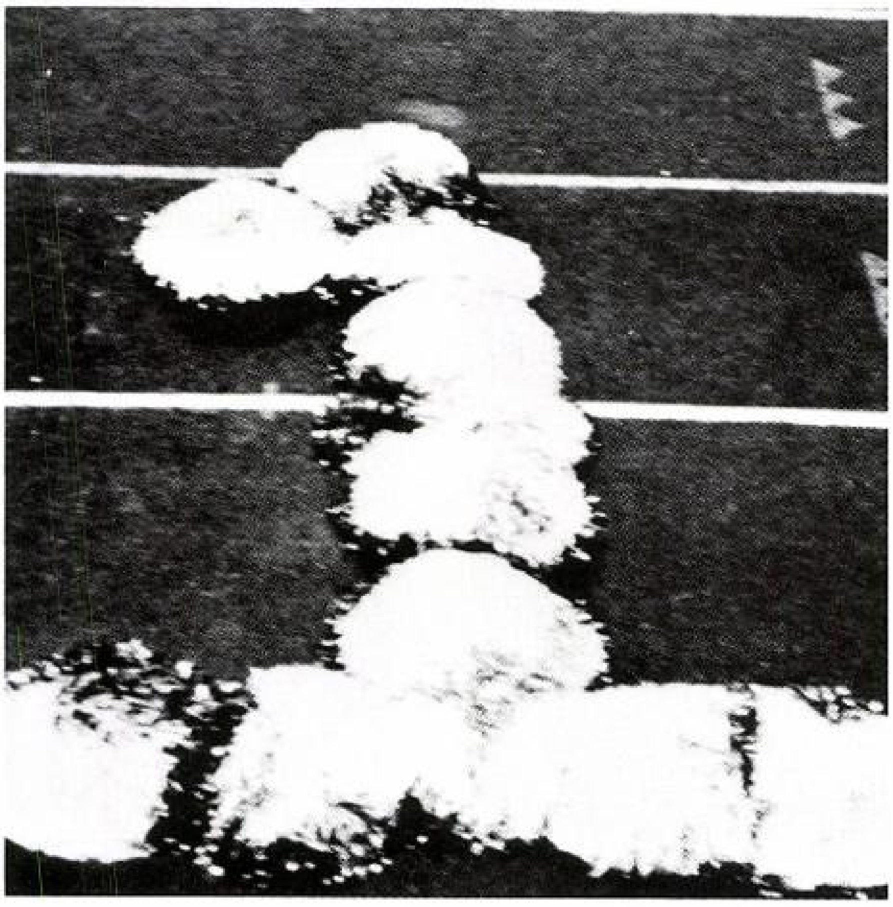
WHO'S BEHIND THE DOOR

Who are the faces behind the doors at Willis High? They are the people who come to school to learn; but do not fool yourself, learning is not all they do! They like a good pep rally where they can yell their heads off, acting crazy in the hall — then running from Mr. Ready when the tardy bell rings! This does not mean those behind the doors are unresponsible. If you go to Willis, stand up and be counted. Let's leave the door open for all to see and invite all in.



How many times have you wished you were out of school? Likely too many to count! We all enjoy school and have a hard time admitting it. I will admit I like school. When you become a senior you will admit it too. Graduating is like moving away from one city to another. Before you move sit down and look in the halls and remember the fun times. The hall may be empty but you can still see everyone. Sure you can come back and visit, but many of your friends have moved, too. So stop in the hall someday and make a mental picture of your friends, then don't forget this memory. Enjoy the days you spend in high school, some day you will have to move ahead. Invest in your memories and your future, the investment is worthwhile.

WILLIS BLOOPERS

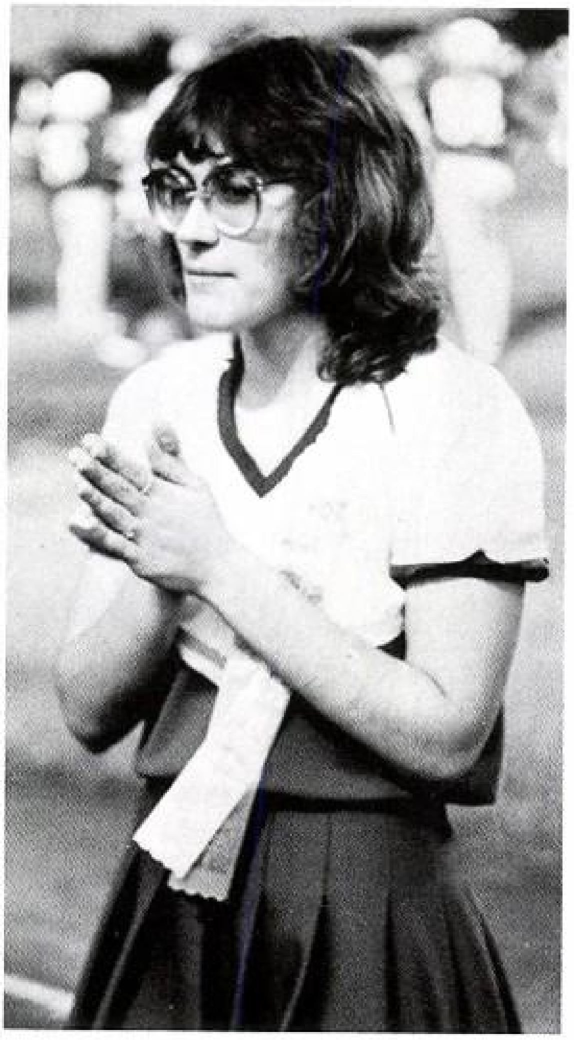
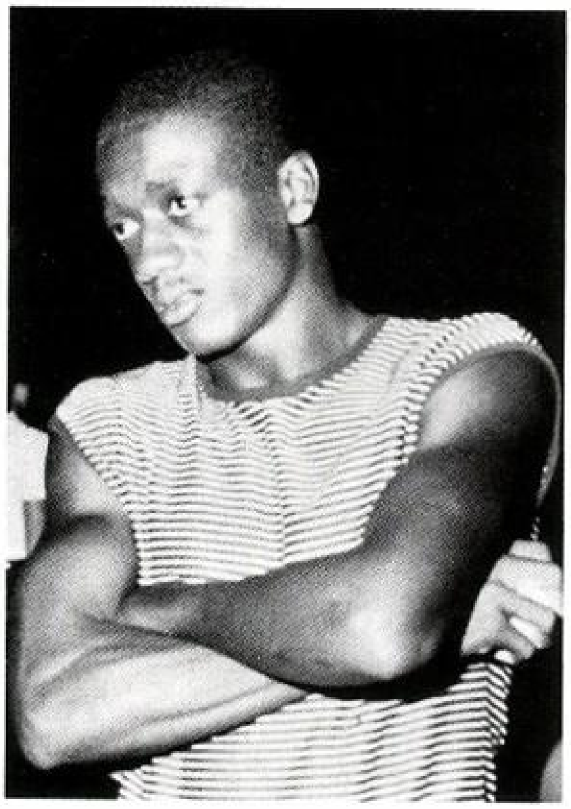
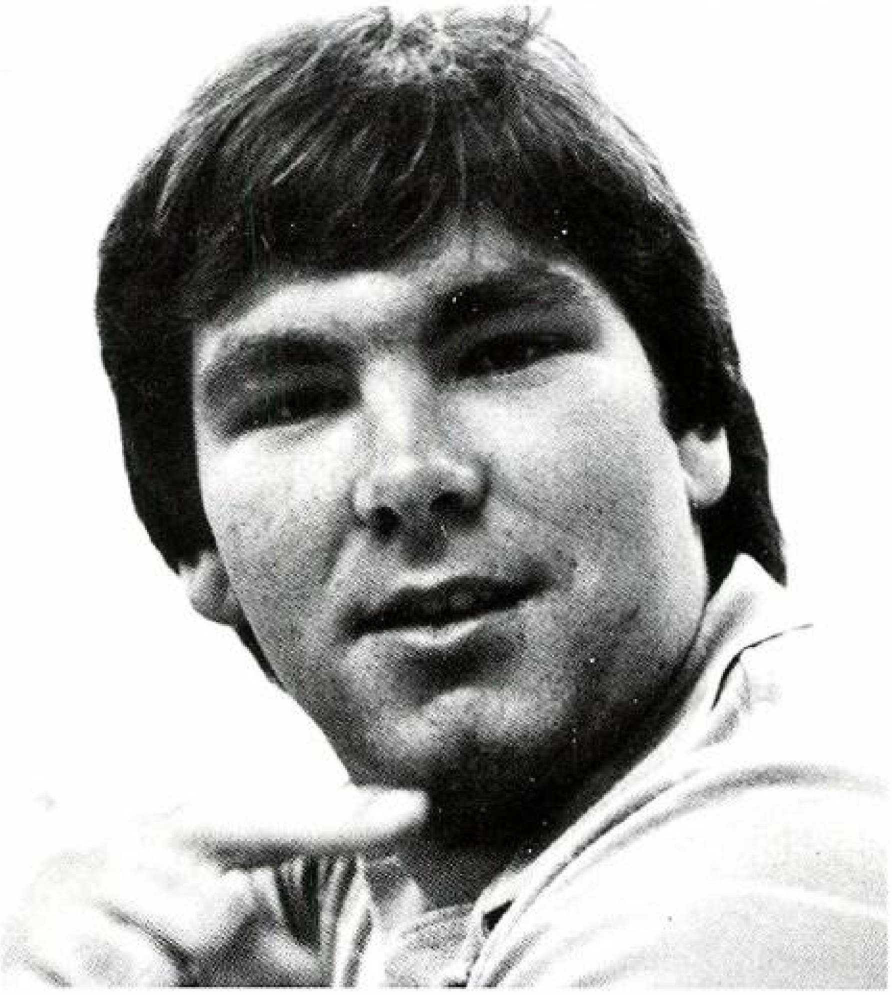
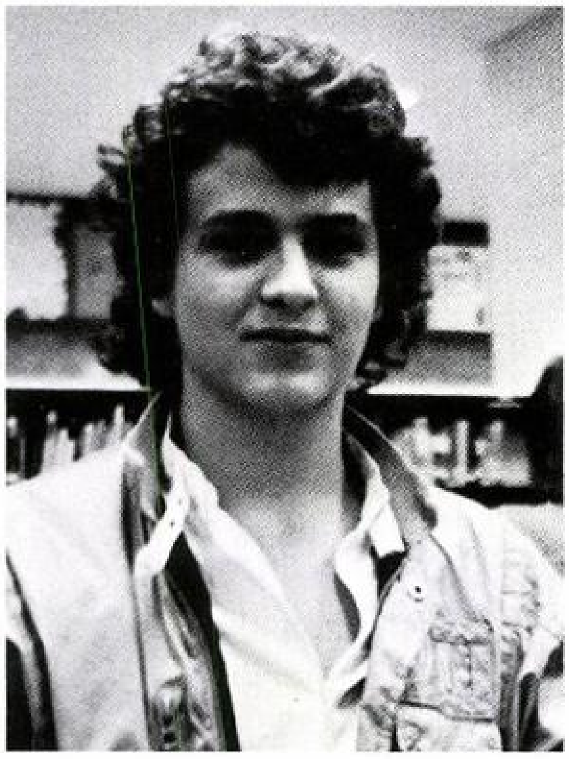
IT'S GOOD TO BE THE KING

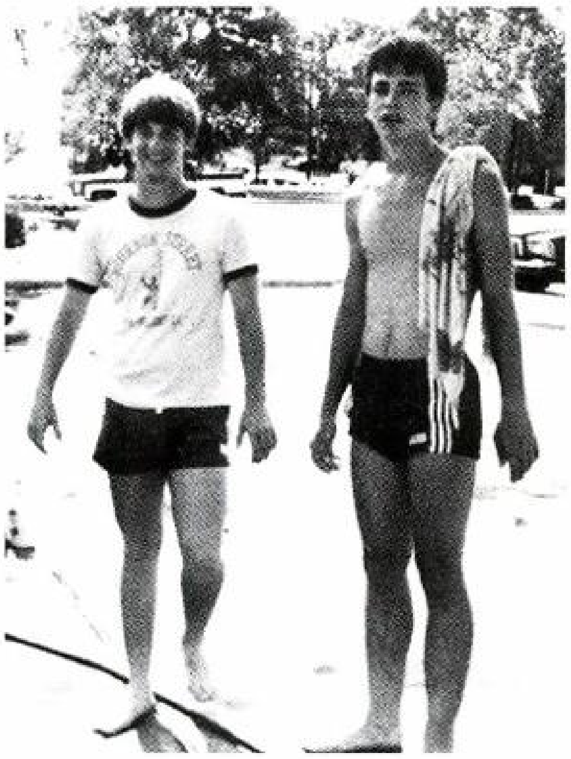


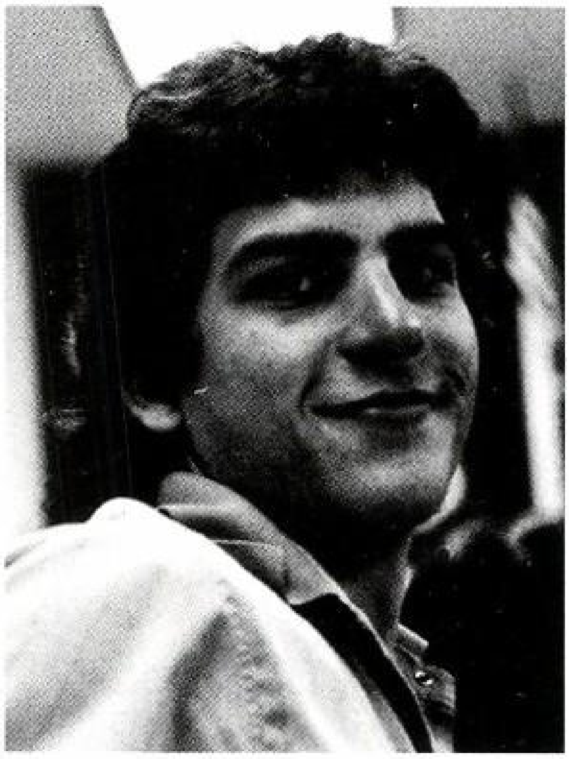


JAMAICA









Time goes by, buy, bye,
But I do not understand why,
Our youth we do not forget,
Even when old age conquers,
We still remember this gift.
Through our ludicrous life we lead;
To a future we can not see,
So school your thoughts to be wise,
Wisdom you should idolize
Profusion of smarts never hurt,
A soul made of earthly dirt,
Enjoy your youth, enjoy your school,
Eventually times shall overrule.

LOVE YOUR LIFE

We cannot listen to what others want us to do, we must listen to ourself. Society, Family, Friends, do not know what we must do. Only we know, and only we can do what is right for us. So start right now, you will need to work very hard you will need to overcome many obstacles, you will need to go against the better judgement of many people, and you will need to bypass their prejudices. But you can have what you want if you try hard enough! So start right now and you will live a life designed by you and for you!

And you will,
Love
your
Life!!!

PEOPLE

OH, NO! WHAT ARE THEY SELLING NOW?

Everytime you turn around someone is there to either break your diet or your budget! The Spanish Club with their candy bars, (Do you know that one candy bar has 220 calories!!!) The band with their pizzas, oh boy. All these students working hard to help their organization, and the juniors were no exception! The juniors came together and worked to raise money for the 1985 Junior-Senior Prom. They worked hard in the hot humid weather of a Friday night football game selling hotdogs and popcorn. Stuffed animals were no exception, they were sold too — along with free car washes. THANKS JUNIORS FOR YOUR DEDICATION TO W.H.S.

"GROWING UP"

AS ANY YOUTH CAN TELL YOU, GROWING UP ISN'T EASY,
THEN AGAIN WE ALWAYS KNEW NOTHING IS LIGHT AND
BREEZY, PUT UP WITH THE TOIL AND STRIFE,
IGNORE THE QUARRELS WITH FRIENDS,
CAUSE THIS IS ALL A PART OF LIFE AND YOU'LL FIND IT WILL
NEVER END,
WHEN YOU LOOK IN THE MIRROR, DO NOT FEEL AN
OUNCE OF SHAME,
BECAUSE AS AGE COMES NEAR
THAT FACE JUST MAY BRING YOU FAME REMEMBER THE
GOOD TIMES AND THE BAD,
DON'T FORGET ALL OF THE PAST,
BUT CHERISH THE FUN YOU HAD, TO MAKE THE JOY FROM
IT LAST. AT THE SAME TIME LOOK AHEAD, YOUR DREAMS
AND GOALS SET HIGH ECAUSE A WISE MAN ONCE SAID,
'YOU CAN DO IT IF YOU TRY!!!"

JUNIORS — THEY ARE ONE BIG FAMILY

BEST OF FRIENDS, BEST OF TIMES

WE REMEMBER DAY ONE,
HOW SCARED COULD ONE BE?
WHAT WE NEEDED WERE FRIENDS,
THAT WAS EASY TO SEE.

WE BEGAN OUR NEW FRIENDSHIP,
VERY EAGER BUT SCARED.
WE DISCUSSED ALL OUR DREAMS,
IT WAS FAILURE WE FEARED.

OUR FRIENDS ARE THERE TO HELP US,
AS WE JOURNEY ON OUR WAY.
AFTER WE HAVE GRADUATED,
WE HOPE TO SEE THEM AGAIN SOME DAY.

BUT IF WE NEVER DO,
THE FOND MEMORIES WILL STAY.
WE'LL LOOK BACK AT WILLIS,
AND WE'LL REMEMBER THE "GOOD OLE DAYS"

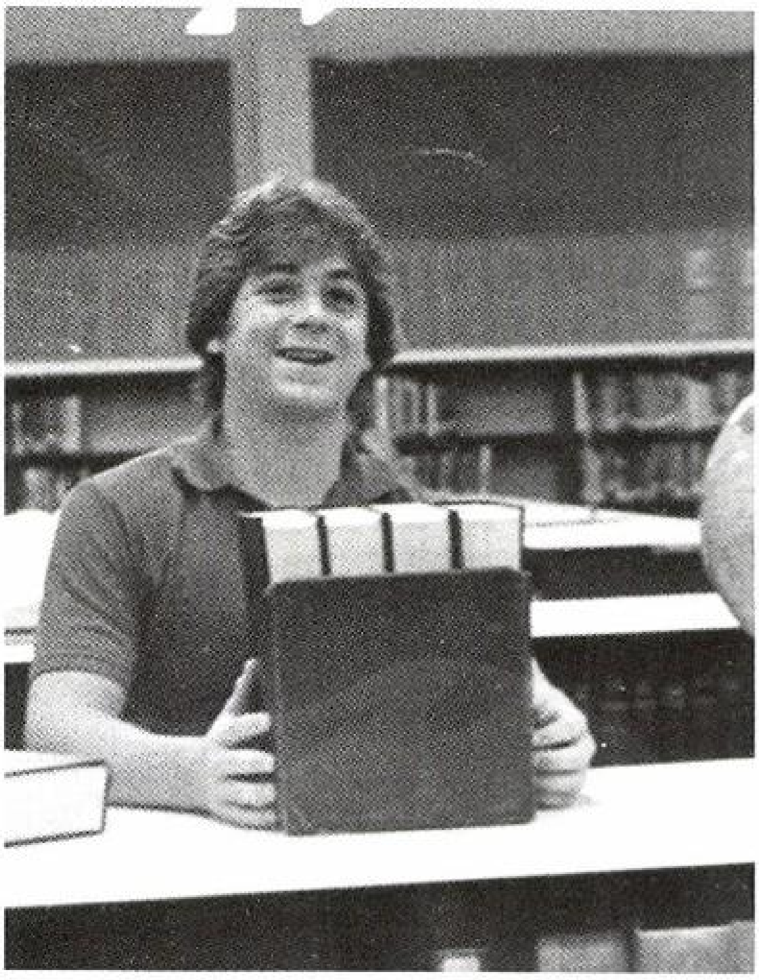
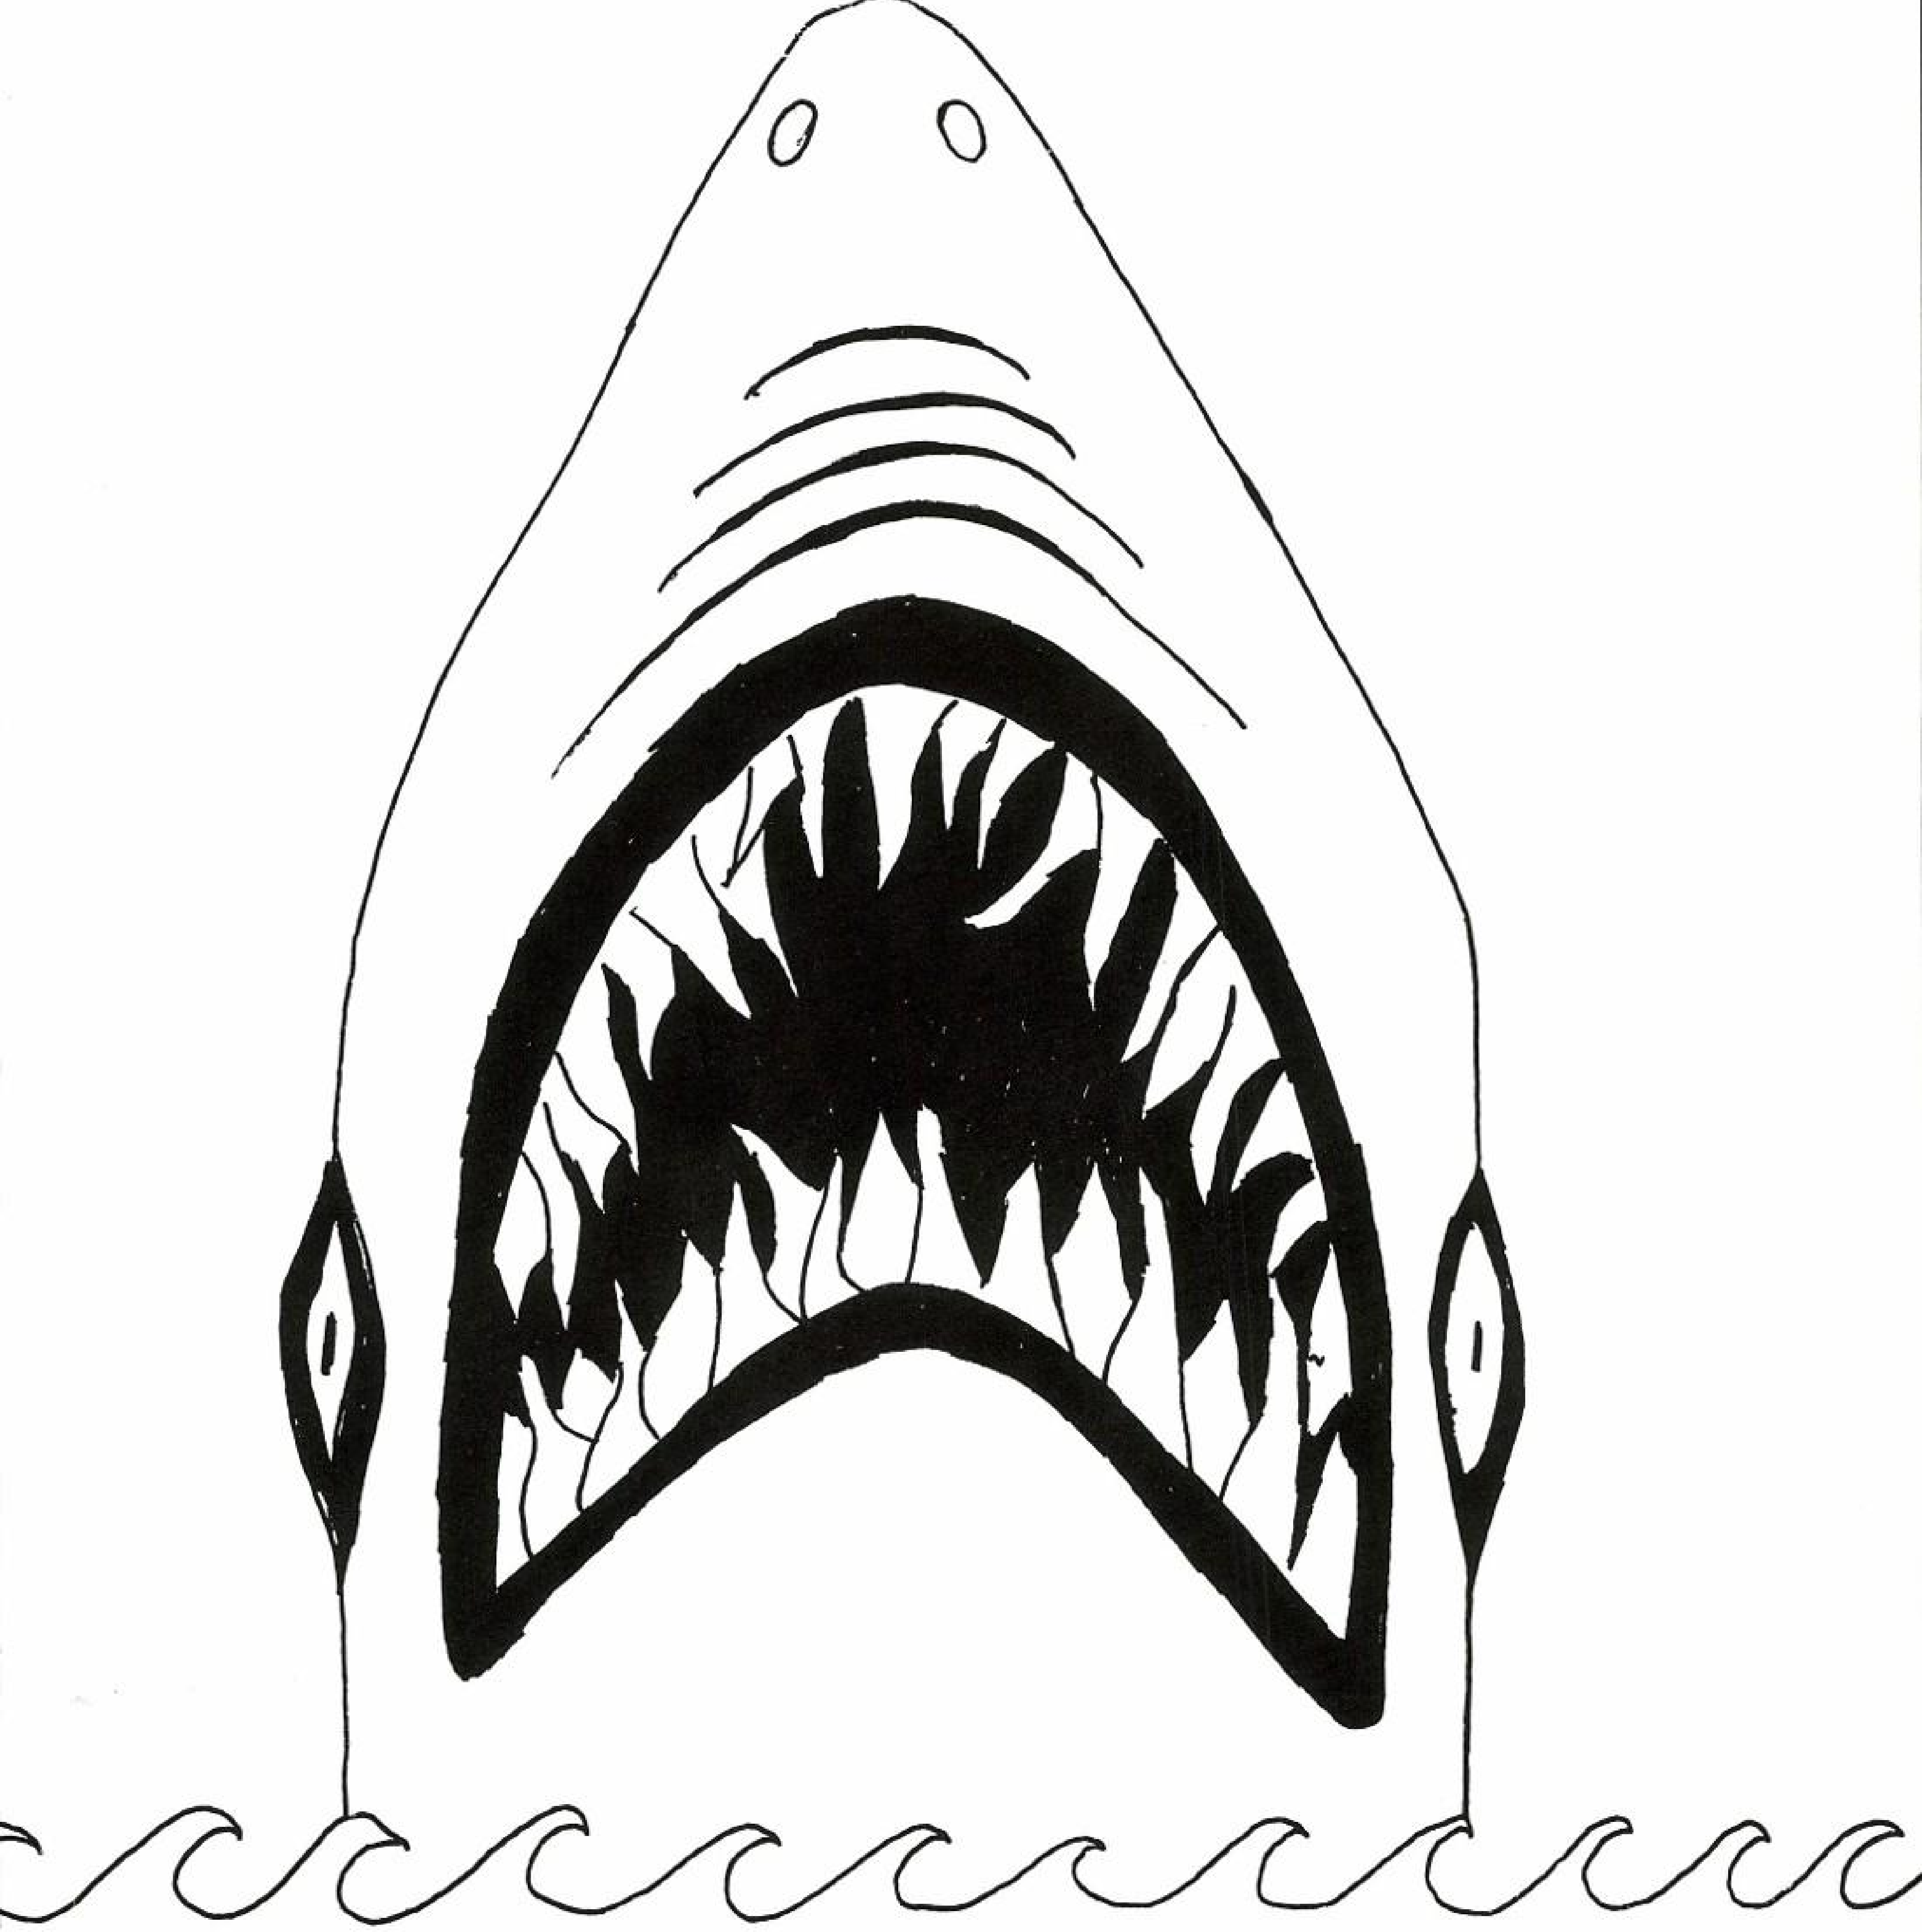
GREMLINS IN ACTION



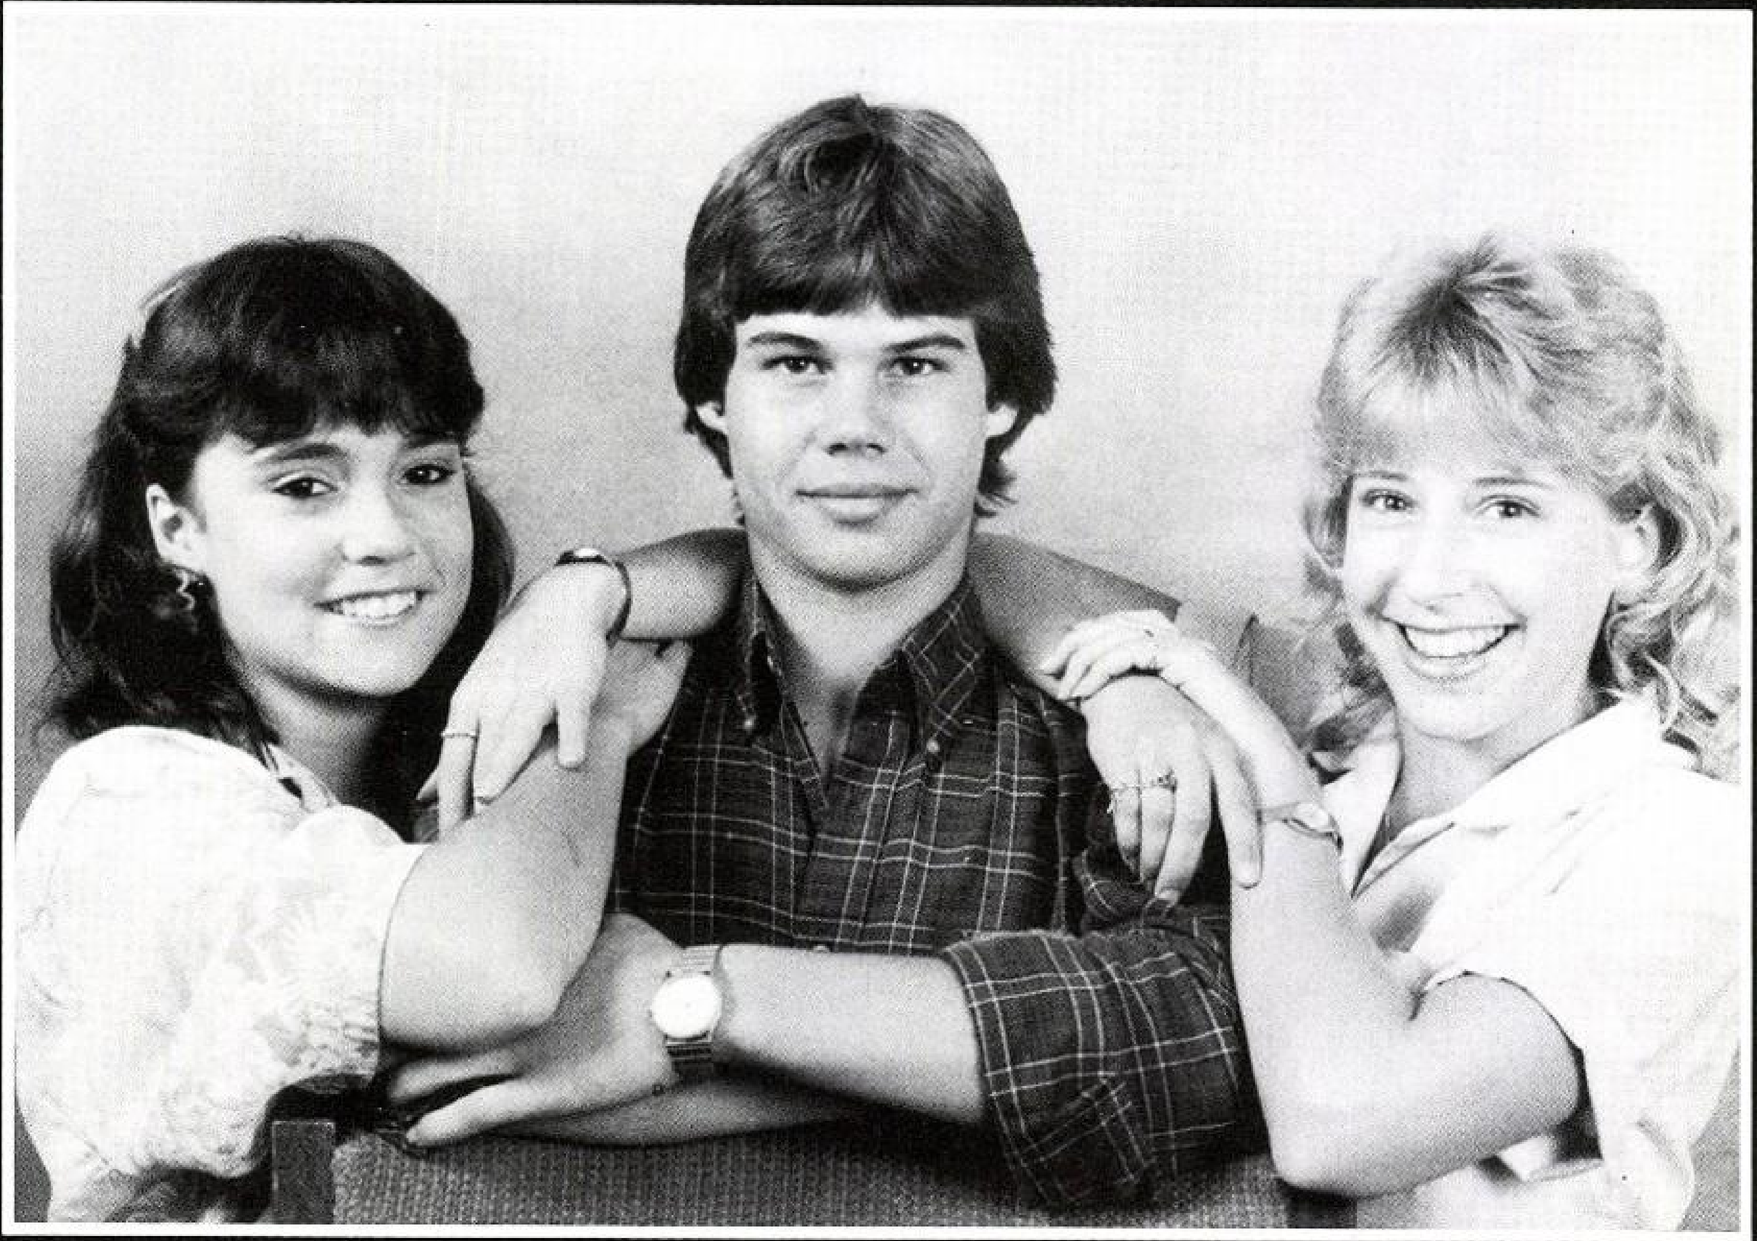
FASHION OF THE 80'S

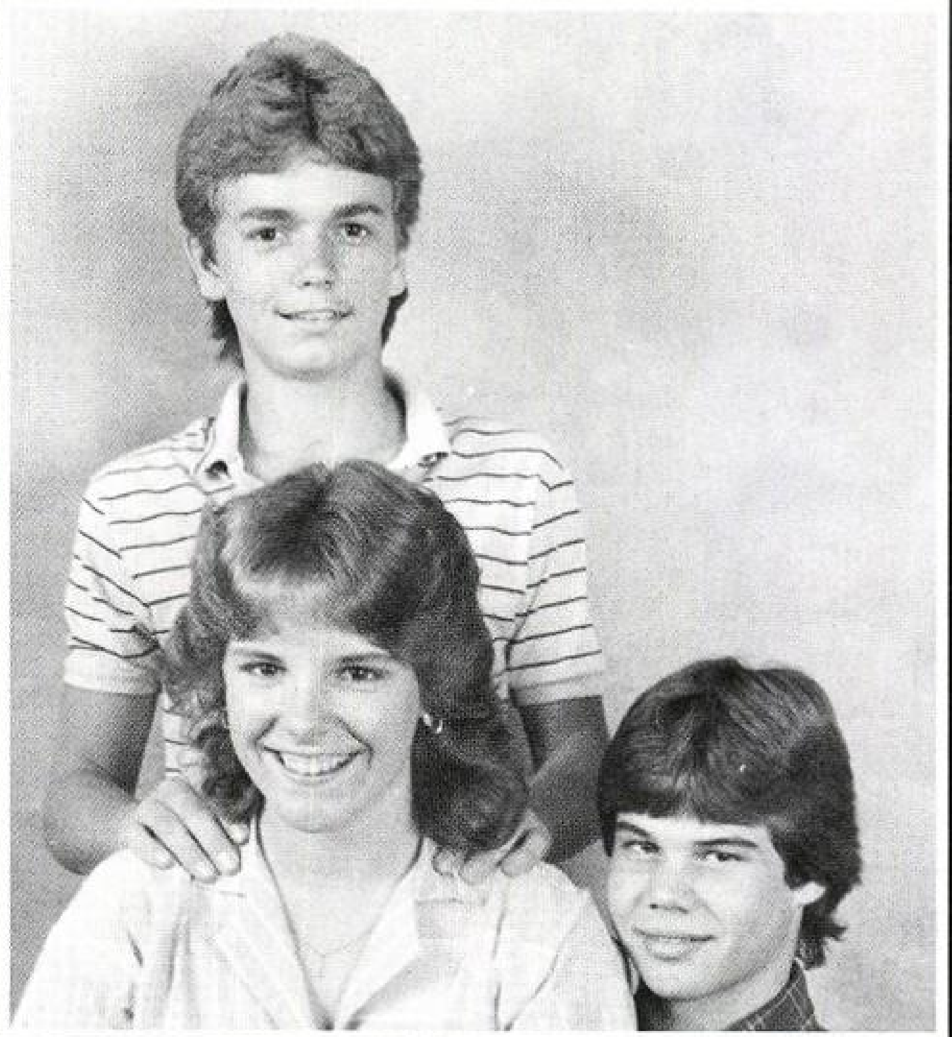
The old saying that fashion is constantly changing and revolving is clearly expressed by the fashion of today. No matter what the look — Punk, Rock-A-Billy, New Wave, Prep or G.Q., Willis High students have always dressed with pride and style. Many of the students dress to be different. "I dress to please myself most of the time," said Shelea Kominazak, sophomore at Willis High School. Shelea learned most of her fashion techniques at Barbizon School of Fashion. Shelea graduated from Barbizon and hopes to become a fashion model when she graduates from W.H.S.



THE RETURN OF THE FISH

FRESHMAN CLASS OFFICERS





FRESHMEN — WONDERFUL PEOPLE

Freshman officers are the new faces in the crowd. People may think that freshman class is not an active class, but they are wrong. The freshmen had an intersting float in the homecoming parade. Being a freshman officer is the beginning training for future leadership in high school. Yesterday's officers are in charge of today's events.

"ANNIE"

Willis High School Threatre students enticed audiences with their fall musical production of Broadway's "Annie." Mr. David Vela, drama director, also enrolled the help of intermediate and Jr. High students to play the parts of the orphans. The musical was presented to the entire schools on Nov. 19 and 20. Students worked for two and a half months on the production, and with over sixty students involved — think of all those secheduling problems!

Sets for the play were designed by Mr. Vela and built by construction trade classes of W.H.S. A very special thanks goes to Ms. Wendy Marguart, Musical Director, Ms. Patsy Rush, Vocal Director, and Ms. Ann Sanches, Costume Designer. "Annie" will long be remembered as the little sweetheart who stole the hearts of all Willis ISD teachers, parents, and students.

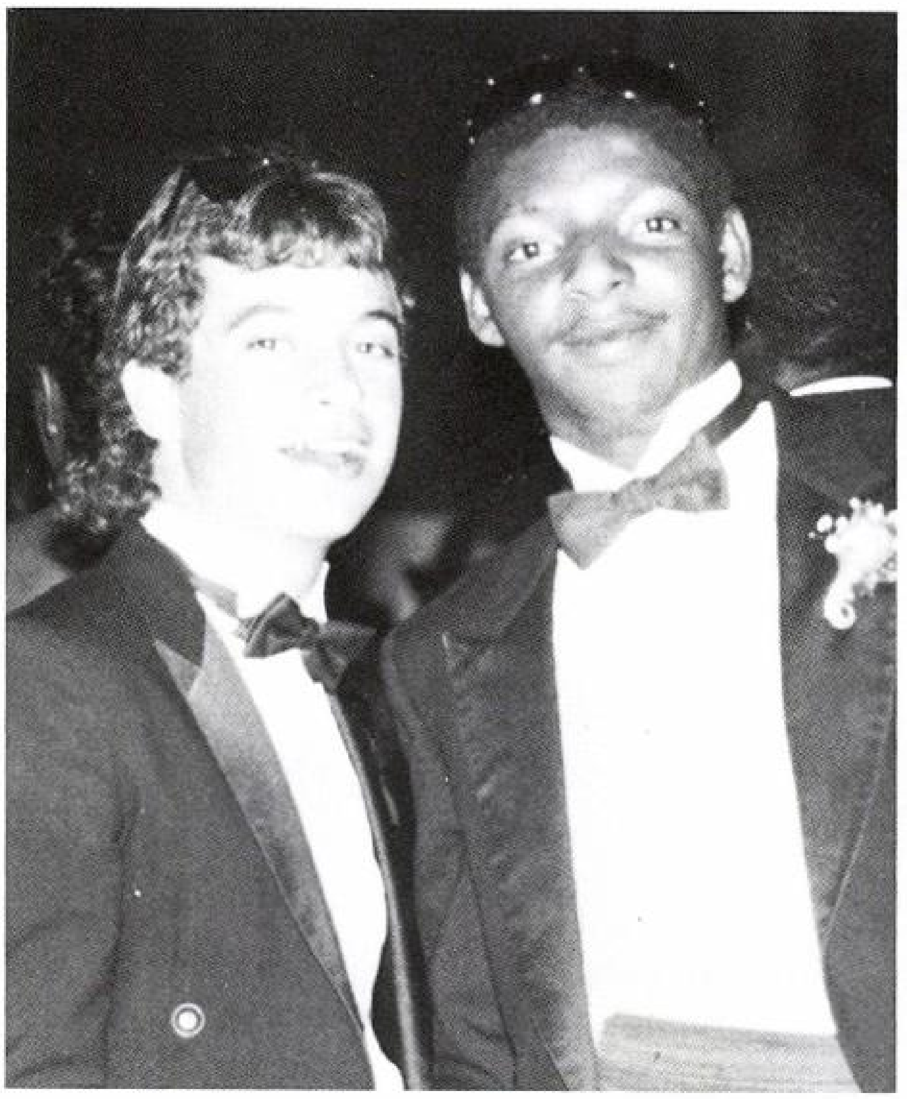
The Mad Woman Lives

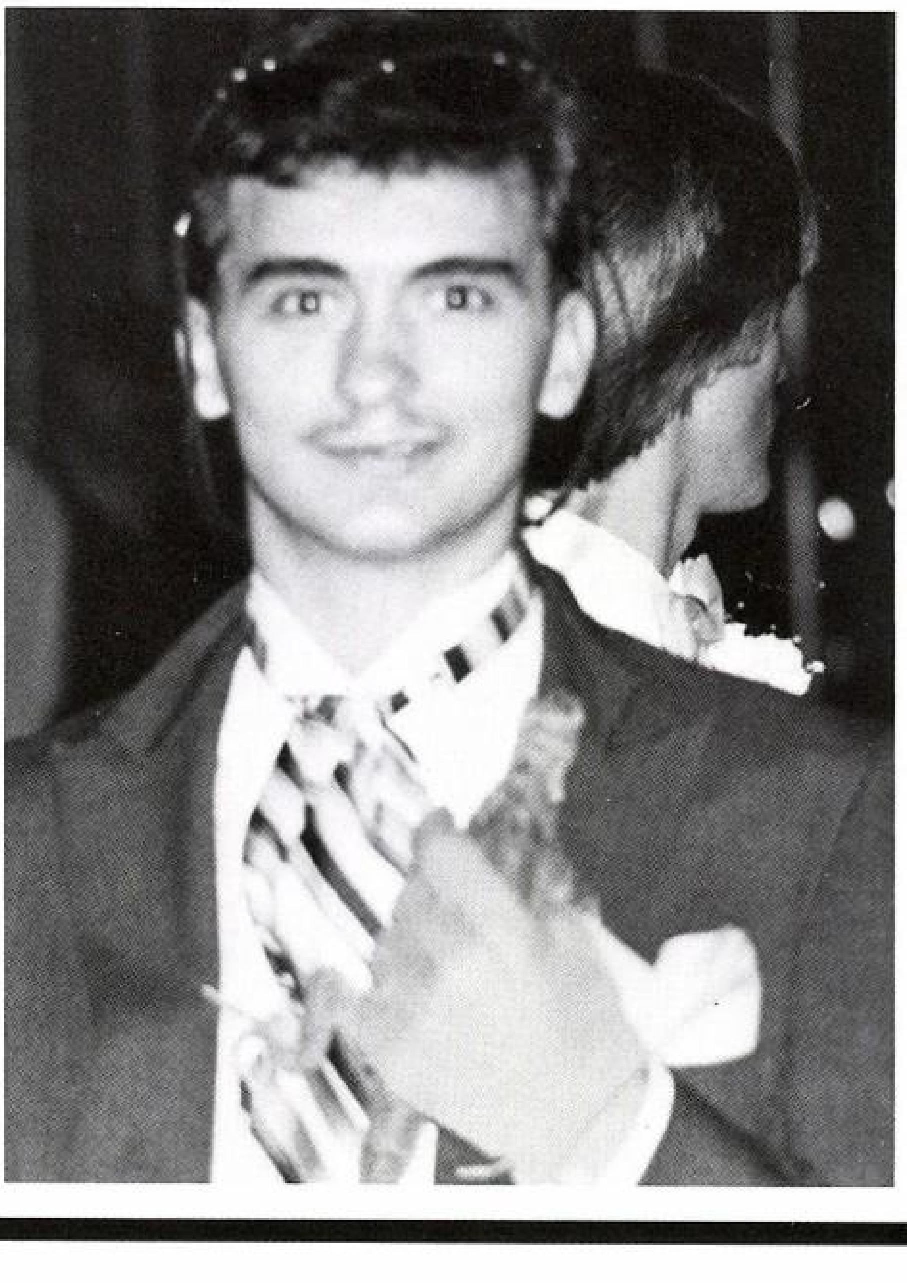
MADWOMAN WINS 1ST IN DISTRICT 1ST IN AREA AND 2ND IN REGIONAL — ALTERNATE TO STATE CONTEST! GOOD JOB!

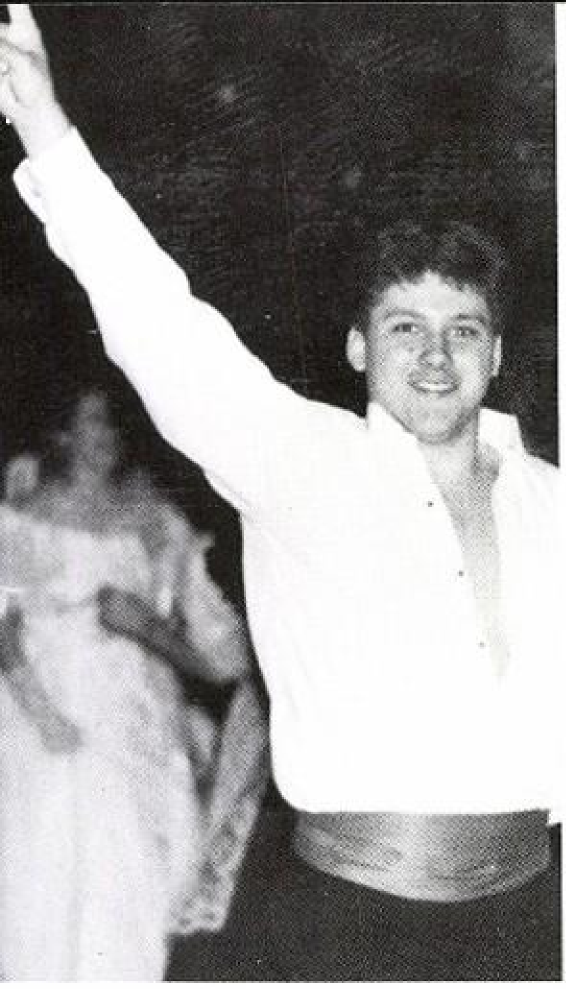
This year the Willis one-act play received exceptional honors in three separate levels of competition. On March 23, *The Madwoman of Chaillot* won first place in district 21AAA. Pam Sanchez was named Best Actress. All star cast consisted of Becky Teague and Thomas Kozelsky, Honorable mention were Sonya Merriam and Dawn Hunley. David Lowery won all-star crew award. In Area competition, Willis again swept first place. Again Pam Sanchez gave an excellent performance that gave her Best Actress of Area II, AAA. Becky Teague, Sonya Merriam, Eve DeOre, Asa Hoffman, and Thomas Kozelsky swept five of the eight all star cast slots. All star crew was given again to David Lowery for working lights. Under demanding conditions at Bellville High School, Willis has only forty-five minutes to adjust their play to Bellville's facilities. At the end of an exhausting day, Willis won second place being named alternate to state. Pam Sanchez again won Best Actress. All star cast members included Sonya Merriam and Becky Teague and Eve DeOre. Honorable mention all star included Thomas Kozelsky. It was a hard fall missing state competition by a hair, but the cast and crew of "Madwoman" did a superior job this year.

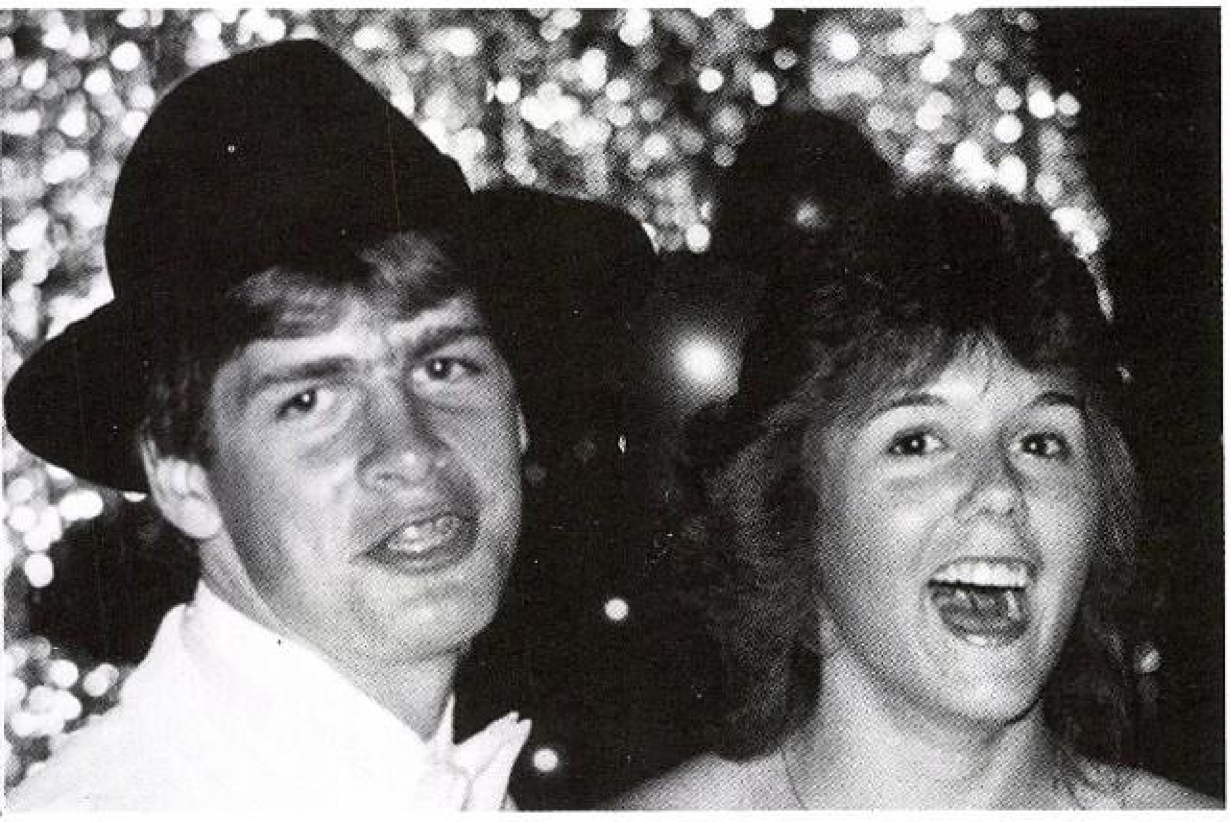
Putting on the Ritz

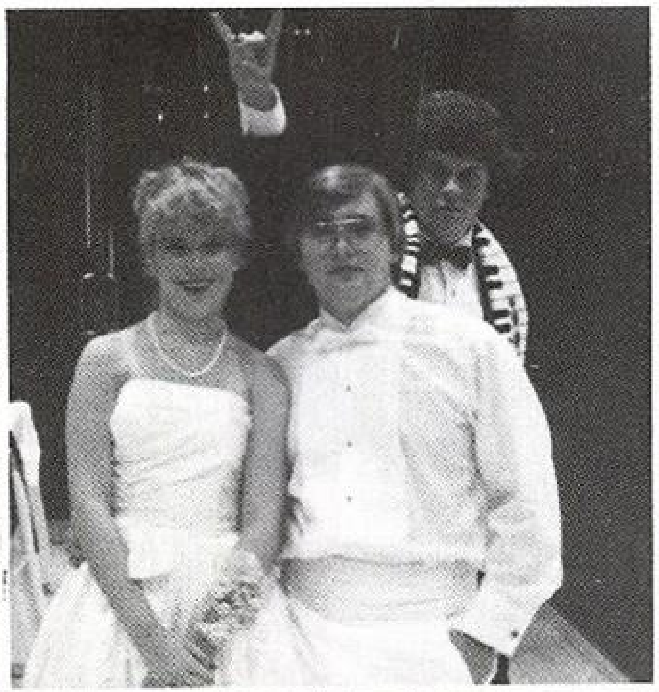


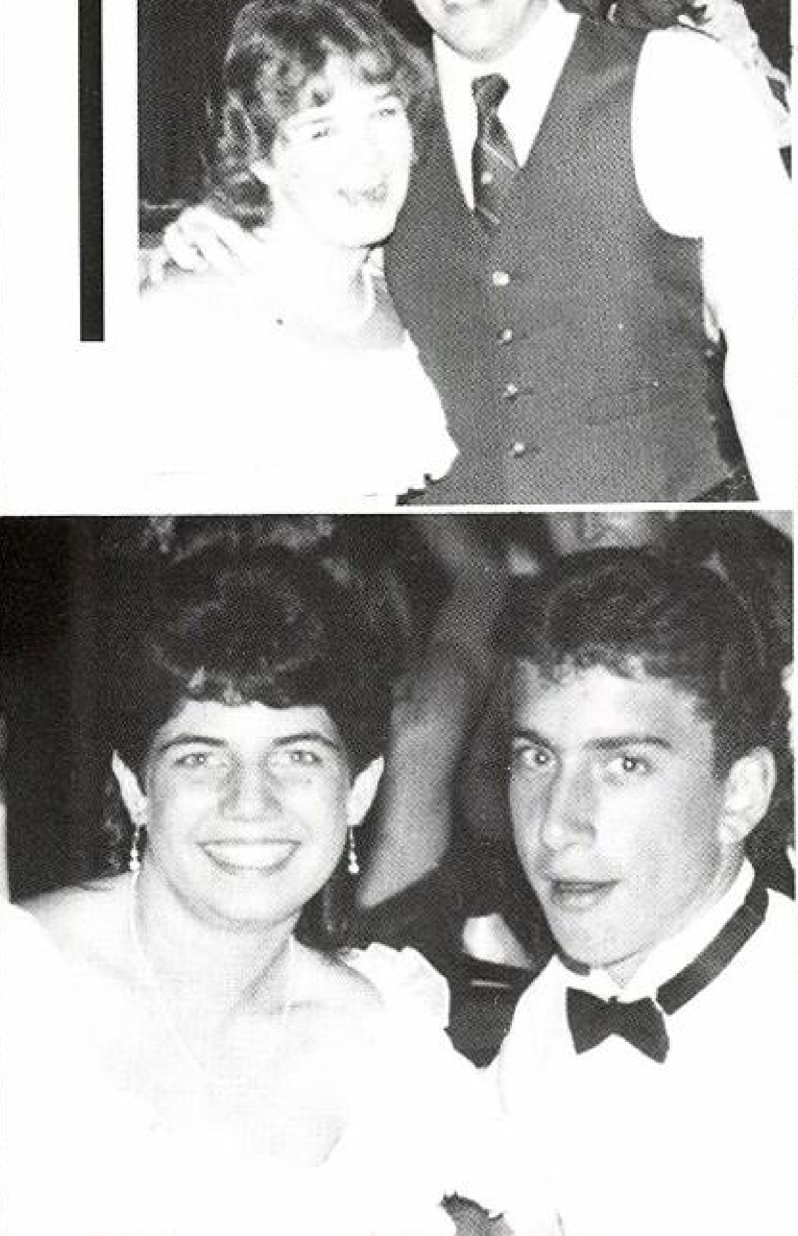
The 1985 Prom was held in the Loman Student Center of Sam Houston State University. This event made April 27th a highlight in everyone's high school career. We would like to extend our thanks to the Junior Class and their sponsors, Judy Ross, Lewis Pratts, and Mrs. Sampson for making Prom great. Each couple was introduced as they entered the ballroom full of music and their friends. The Prom King was Gary Loving and Sylvia Allen was Prom Queen. We will all remember the fun at prom and especially Mike Henderson's pet Lizard.





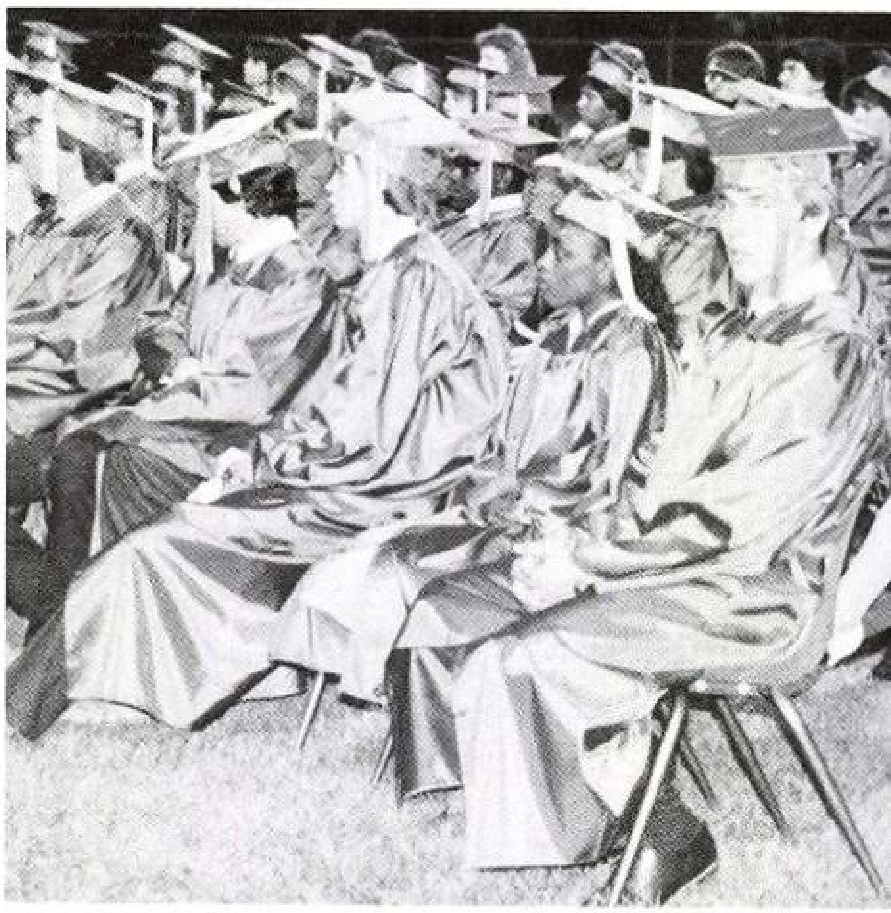






THANKS TO EVERYONE WHO MADE THE 1985 PROM ONE OF THE BEST EVER!!

GRADUATION '85 SENIORS ENDS AN ERA



Graduation Commencement of the 1985 Senior Class was held on May 24, 8:00 o'clock P.M. in the Wildkat Stadium. Rebecca Norwood, 1985 Salutatorian, gave her speech. The Counselors announced the scholarship winners. Sonya Merriam gave her Valedictorian speech. She talked about how united the "fun loving bunch" was and how much this class will miss their school. The Commencement address was given by Dr. John Marshall Edwards, Pastor of the First Baptist Church in Conroe. He talked about the courage needed to be a winner in life.

After the address Principal Rudy Okruhik, gave the senior class their walking papers. Scott Ramier received a standing ovation for his hard work. After the diplomas were handed out a loud scream was heard and hats were airborne. Everyone gave each other a hug and a few tears were shed. Twelve years of hard work were over and now it was time to face the real world.

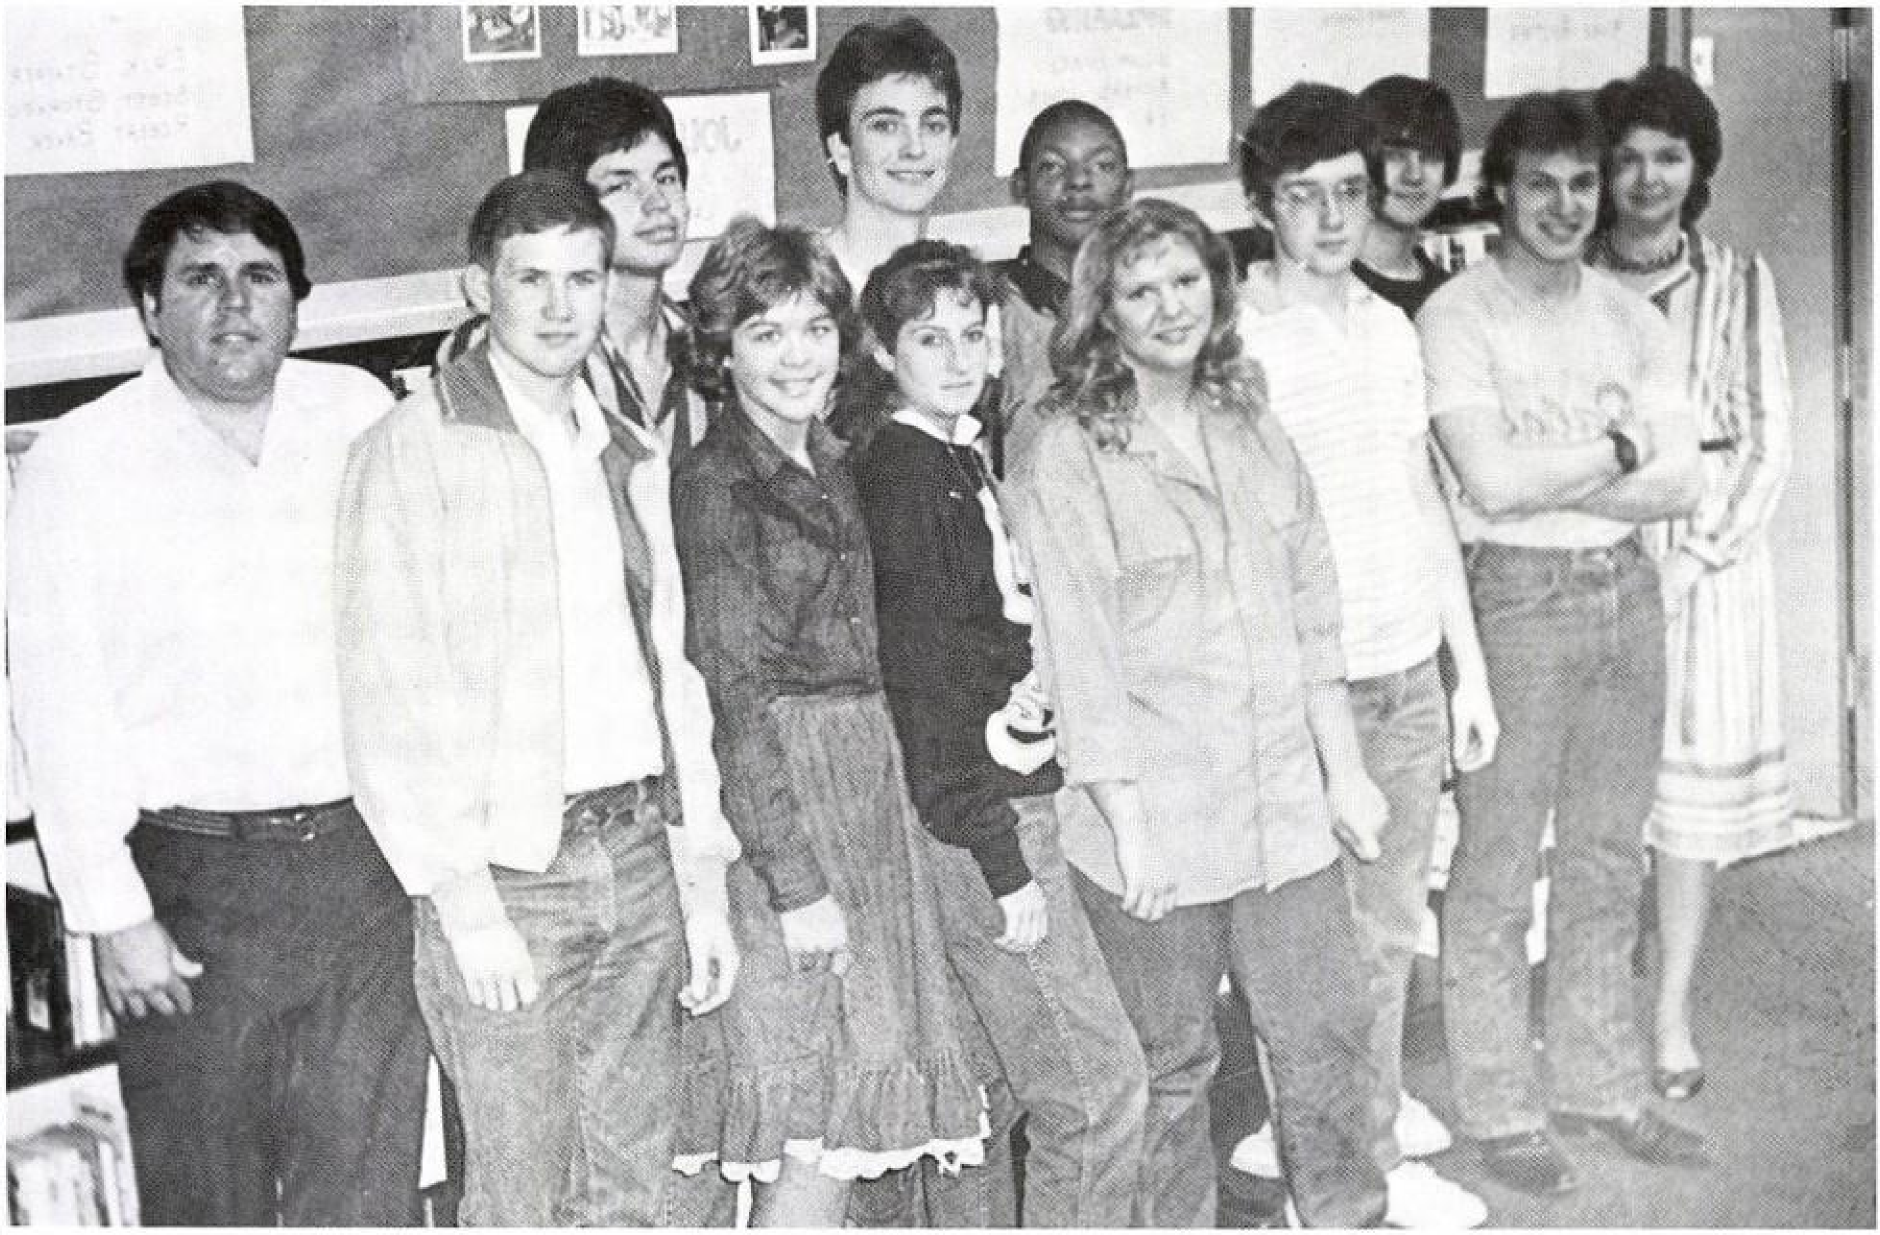
WILLIS STUDENTS WIN 2ND PLACE TROPHY AT DISTRICT



U.I.L. involves many different events. U.I.L. includes writing, math and science competition, giving students chances to compete in academic ways as they will have to do after high school. Along with the competition comes the opportunity to meet people from other schools.

This year U.I.L. was held at Cleveland High School for District. Willis won second place with a total of 216 points. Students who placed in their area of competition went to Blinn College for regional competition. Lance Cade swept several newspaper events to become high point man for Willis.

Lance Cade is congratulated by the school board for winning top honors at UIL competition.

Teamwork

Teamwork is one aspect of Willis F.F.A. that is a neccity. Each member of F.F.A. has many opportunities to work together and accomplish their chapters goals. The local show is one event which the entire chapter can become involved. There is always the excitement of the fair. When we get together and help each other get our animals ready for the show, and when the day is over and we look back and see how our teamwork has paid off it seems to be the most enjoyable part of the day.

This teamwork creates a bond of unity in our F.F.A. chapter. We are able to share our feelings and ideas which help others. When we help others not only do they benefit but we gain happiness and enjoyment. Many times we have been willing to help our friends and we find they will be eager to show thanks by returning the same favor. This teamwork has made our F.F.A. chapter a success.

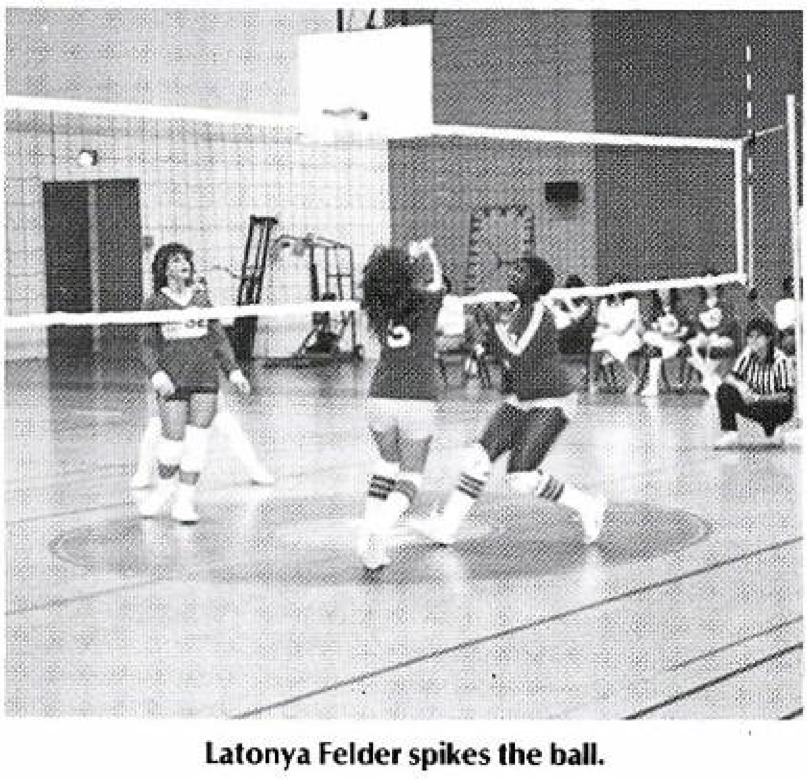
The J.V. Volleyball team started the year with a low level of skill. There was little hope of J.V. Volleyball being exciting or finishing the year with a respectable record. With the odds against them they went to work. After many long hours of practice they were ready for the challenge. They crashed head on with opponents and came out with a respectable record of wins. All the players were outstanding but special notice goes out to Ann Mortimer, Latonya Felder, and Renee Frantz.



Latonya Felder spikes the ball.

THE 1984-85 VRSITY BASKETBALL TEAM

The Varsity basketball team had a great season doing well in district play. The team was coached by Glen Phillips. Coach Phillips was quoted as saying "This basketball team played as close to its talent potential as any team I have coached in seventeen years. This is the overall good of all coaches in any sport. These young men should be proud of their accomplishments."

J.V. BASKETBALL GREAT IN 85!

The JV's season was marked with several fine individual performances. Wilbert Hill scored 47 points in one game against Tarkington. Joel Jones sinking the winning basket against Dayton as the buzzer went off; Fred Whitesides consistently good defense; Greg Gunns' ball handling skills getting better and better; and the fine contribution by the two freshmen David Vogel and Joe Andrews. These young men accomplished a great deal and showed they would help the Varsity Kats be a power to contend with in the future!

J.V. members included: G. Gunn, W. Hill, D. Vogel, J. James, J. Andrews, W. Evans.

Freshman Cagers Share Championship

Led by guard Fred Nixon and postman Jess Hollins, the 1984-85 Freshman basketball team established themselves by sharing the 21-AAA District Championship with the Cleveland Indians. The early season record was not impressive, but the Freshman Kats closed the year with ten successive sins and a 15-9 season.

Impresssive victories over Cleveland, Splendora, Tarkington, and Dayton highlighted the year. In addition to these games, the Kats played well against large school opponents such as Bryan and Livingston.

Aggressive defense and a controlled offensive tempo were the characteristics of this year's Freshmen. Jerald James, Steve Caldwell, and Richard Vela were the defensive players usually alligned to the opposing teams best guards, while Nixon, Hollins, and Kerry Lawrence handled the forwards and postmen.

Offensively Nixon and Hollins were team leaders with 24.6 and 16.3 points scored per game. Point guards Steve Caldwell, Joe Andrews, and Craig Fowler combined to help a smooth Kat offense. Lawrence and Hollins led the team in rebounding though Fred Nixon and David Vogel also contributed many rebounds.

Jimmy Bowyer and Steve Gatlin were key reserves who played important roles in their team's success. All of the 1984-85 co-champions displayed the desire, dedication and integrity that is necessary to be winners in athletics.

Congratulations for this year's accomplishments to the Freshmen.

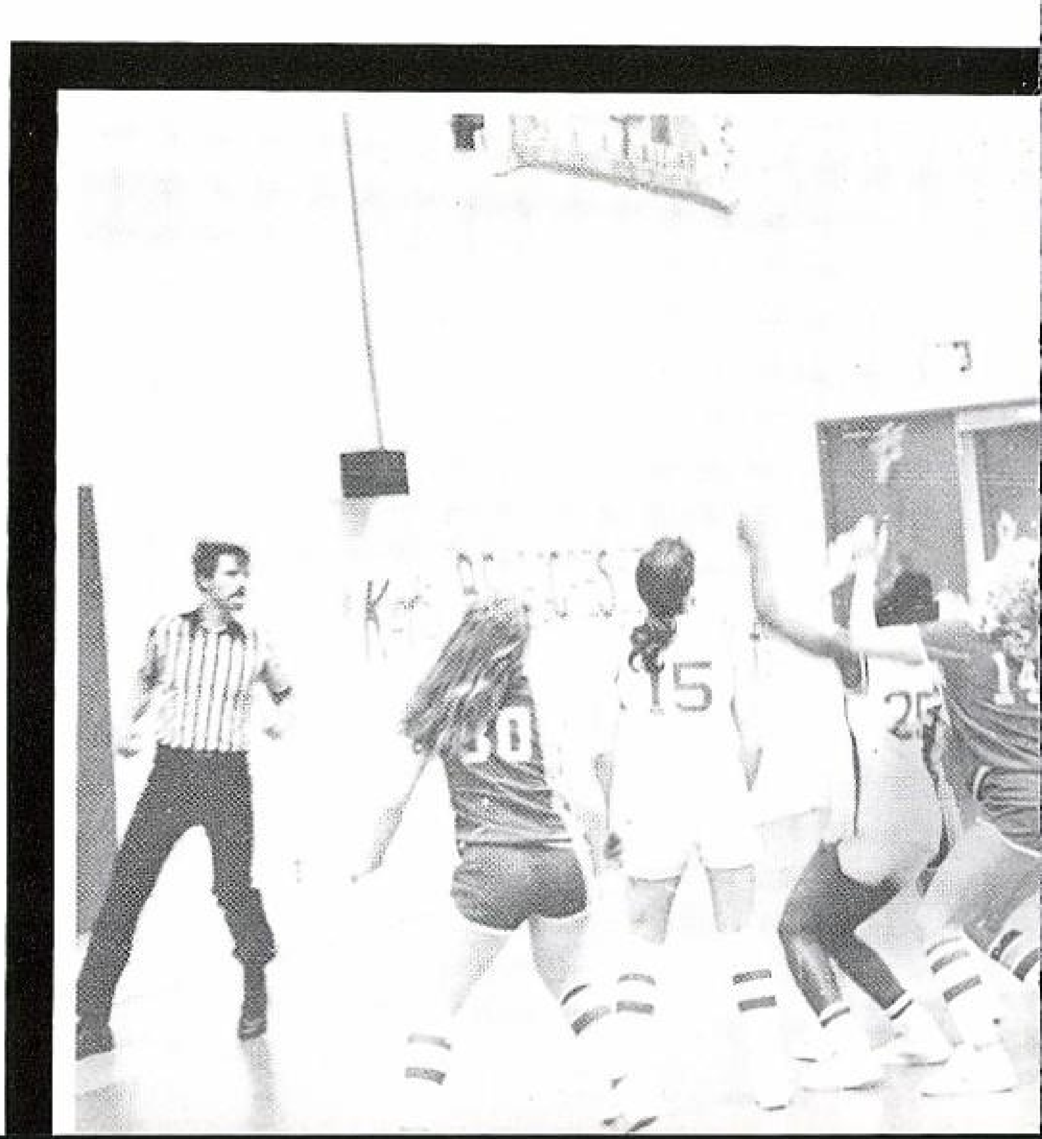
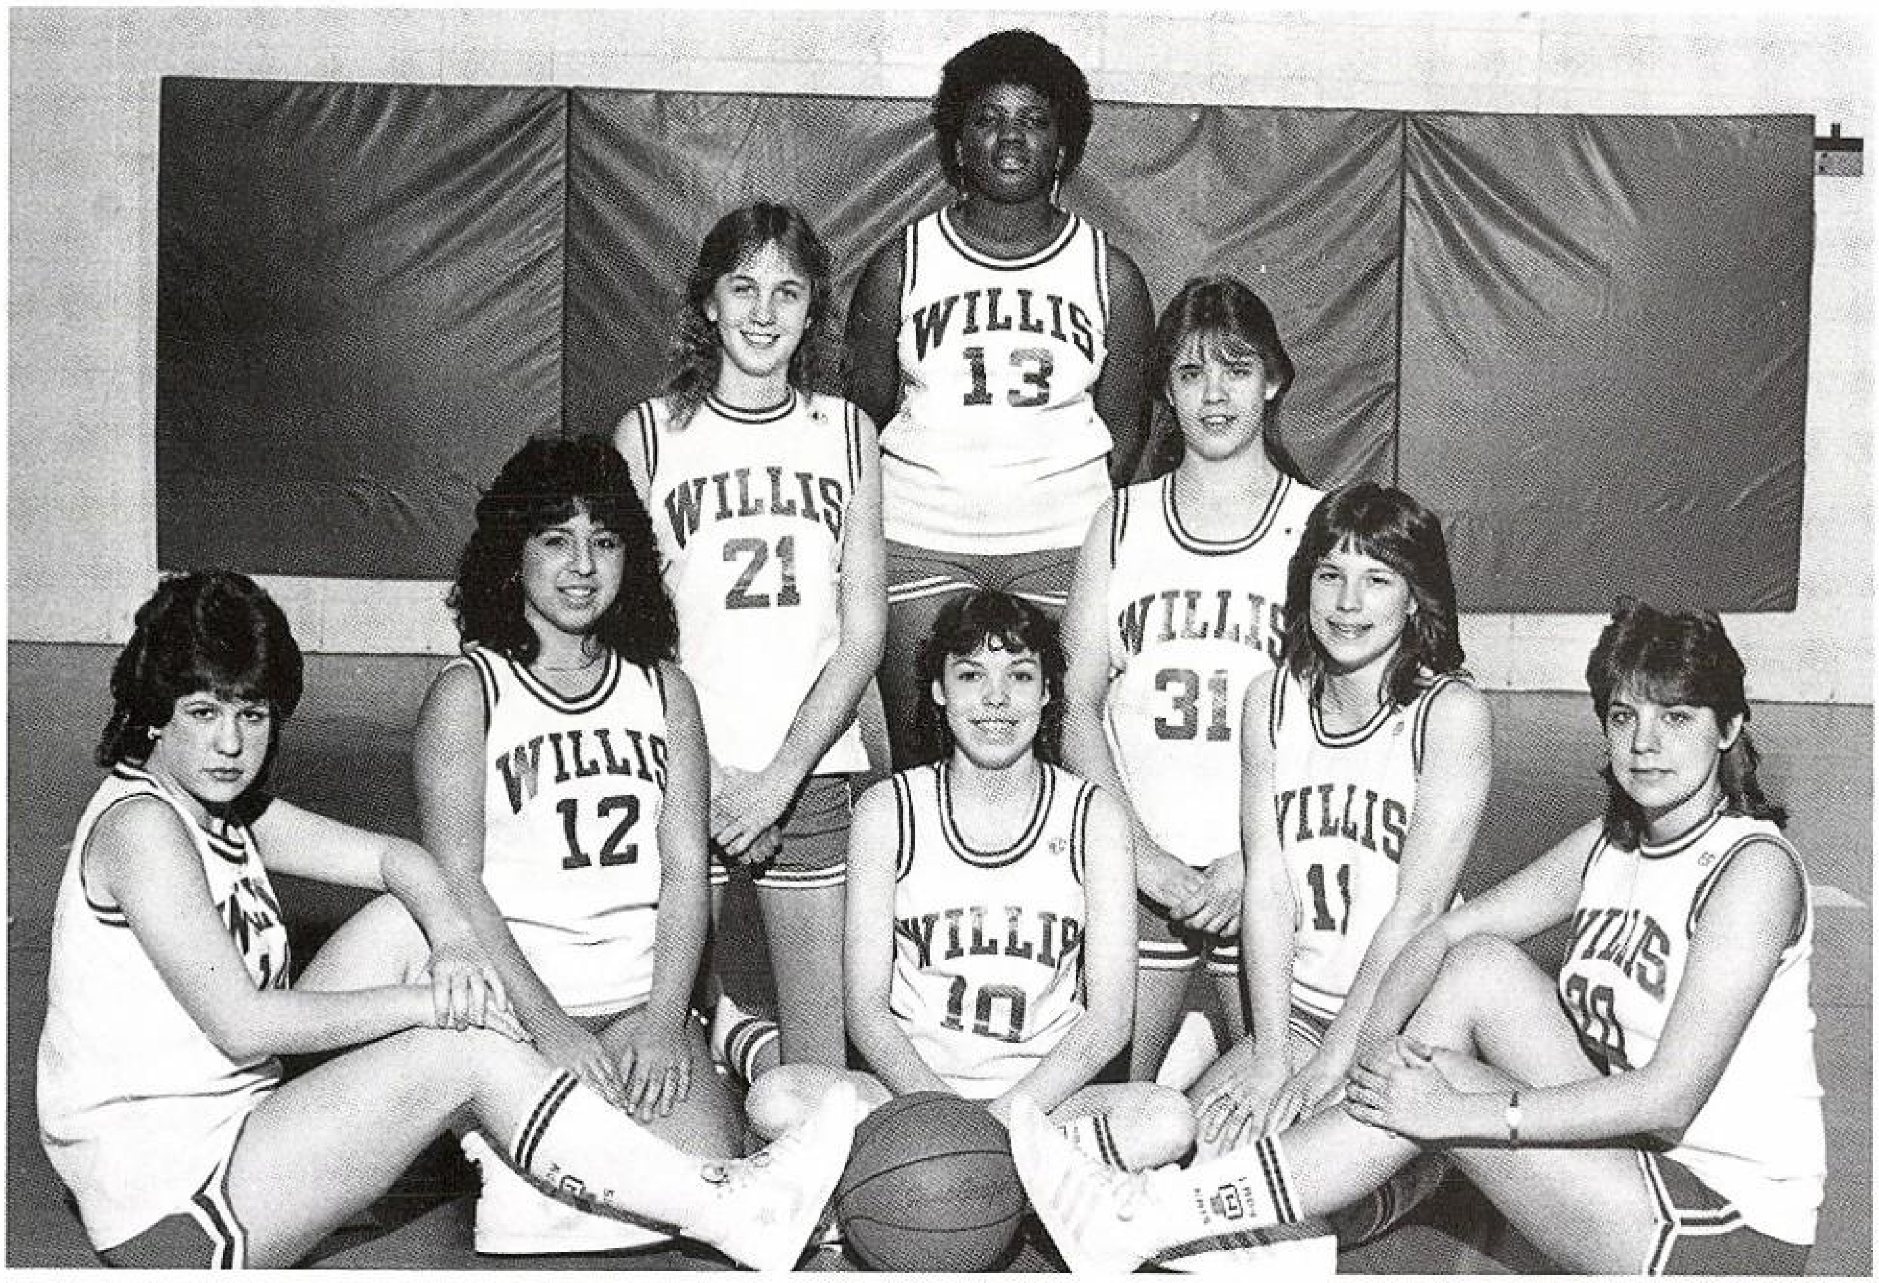
1985 Varsity Basketball Girls Team

With all the new rules and regulations on no pass no play, the girls basketball teams were small both in size and number. However, with a lot of hard work and much effort they were a very competitive team. While the record of 7-13 does not indicate a winning season, the experience gained should definitely pay off next year. Four Willis girls were named all-district. Lisa Martin and Rebecca Norwood were second team while Kim Nixon and Bernadette Kizzie were honorable mention. The varsity team members were: Lisa Martin, Rebecca Norwood, Kim Nixon, Paula Kizzie, Bernadette Kizzie, Jodi Lewis, and Jackie Nixon.



J.V. Goes for Two



The Junior Varsity Basketball Team members were young and inexperienced. The team consisted of four freshmen, three sophomores and one junior. They were all very dedicated and hard working. The members were Donna McDonald, Tami Kozelsky, Michelle Reck, Elline Hubbard, Shannon Barnes, Belinda Carraway, Tomika Adkins and Judy Canta. Record: 4-10.

The Willis Wildkat Baseball Team made it to the state playoffs in 1985. The year began with some big shoes to fill. Gone was Shannon Felder, gone was Gary "Pokey" Dickerson, Dan Whitesides and John Sonsel. A lot of questions were asked! Who will play here? Who will pitch?

These questions were answered quickly by Freeman's Kiddie Corps. Freshmen Jesse Hollins and Freddie Nixon took over the pitching chores while the infield of Philip Mosser, Fred Whitesides, Frank Richardson and Thomas Mileski closed the gaps around the baseball diamond. In the outfield Chris Kuhl, Demmis Poff and Michael Trevino caught fly ball after fly ball. The Wildkats won the Cleveland Tournament and posted a ten-four Predistrict Record. The District race was a four team race. The Wildkats of Willis and the Wildcats of Splendora ended the District race with identical eight-two records. The tie caused a playoff which resulted in a Willis Wildkat victory.

The Bulldogs of Hitchcock were chewed up by the Kats during the first round of the playoffs with a nine-one score. The Kats' second opponent was the Bellville Bramas at Olsen Field on the A&M campus. The Kats led the first four endings with a score of two-zero. Bellville stayed a five run comeback to beat the Kats with a five-two score. The Willis Wildkat Baseball Team had a great season and we are proud of each and every one of them.

This year's Varsity Cheerleaders worked very hard to promote school spirit and enthusiasm: The Varsity went to camp at the International Cheerleading Foundation this summer at the University of Texas campus in Austin. They went all the way to the Grand Champion finals. Our Cheerleaders didn't stop there, they came back to school to start the year with a bang! Throughout the hot, cold, sometimes wet Friday night games, they cheered their hearts out and showed us all their spirit and enthusiasm. Thank-You Varsity, for a great year!

This years horticulture class did many projects to help the community, such as landscape projects in the high school and city parks. At Christmas and Valentines they sold spring budding plants for gardens and fruit trees! This year was very rewarding and productive for the horticulture department. Thanks for all your work. This years sponsor was Richard Vela.

SPANISH CLUB 84-85

Dusty came into this world during an August dust storm. Jena got Dusty in March of 1984. She fed and washed him early every morning. Jena showed Dusty in various TCCA (Texas Club Calf Association) Prospect Shows. Dusty did very well at all the shows, bringing home many first and second, even reserve champion places, but never GRAND CHAMPION. By the time March rolled around Dusty was a 1,310 pound black powerhouse!!! and took Champion Limousin and GRAND CHAMPION STEER of the Montgomery County Fair. The night of the auction Jena received $22,000.00 from Micheal Stewart of Johnny B. Daltons in Conroe.

The money Jena received from the sale of Dusty is going to be used by Jena to purchase more steers. Willis High School is very proud of Jena for her work and dedication to the Willis FFA Chapter.

"the envelope please." The 2nd runner up was a girl from Magnolia, the crowd shouted with joy as Christina Muniz was 1st runner up, then . . . there was a loud scream of excitement and tears of joy when the new Montgomery County Fair Queen Angela Piggott was named. WRITING IN STYLE
84-85 — NEWSPAPER STAFF

Cutting out and pasting up was a busy past time in the journalism class this year. Stories being written one after the other, asking question after question, reporting and writing it out was also a busy pastime. The format was changed this year from a High school campus paper, to a whole district paper. "With much help from the other campuses, we were able to find out what was happening. We recognized the winners of various awards on all the campuses, the principals award, the most outstanding student award, the honor society, and the honor roll. We are also proud to say that we received two awards of merit from the Texas Chapter of the National School Public Relations. Not only did we put out the Willis School Review, but also the Willis ISD Newsletter. We laughed and cried, and sometimes thought that deadline was out to get us, along with our teacher Mr. Mears. But we learned alot and enjoyed this class very much."

MISS CAROGILL RETIRES AFTER 48 YEARS OF SERVICE TO WISD
THANK YOU DOT — WE LOVE YOU.

On an early September morning in 1936 a young lady walked up to the second floor of the elementary school building in Willis, and entered the auditorium. Just to the right of the stage was a small office with a hand made door. In the office was a desk, a chair and a wooden cabinet. She sat down and looked around the small office and cleaned the desk. Miss Dorothy Cargill was ready to go to work.

On August 31, 1984, Miss Dorothy Cargill, after forty-eight years with the Willis Independent School District as Secretary to the Superintendent and much later supervisor of payroll and retirement accounts, she walked out into the world of retirement.

The faculty and staff now numbers almost as many as the student body did in the late 1930's. But through it all, Miss Dorothy Cargill kept her desk clean . . . and her work done. Segregation ended . . . a new era began, and Miss Cargill continued to serve. And now, what about retirement? "What will you do Miss Dorothy?" She replies very honestly, "Well, one thing I am going to have to learn to rest . . . it seems that in the past I never had time to learn the rest . . . and I am just going to have to learn to rest . . . and I am just going to have to learn to rest and take life easy." Thank you Dot — We love you.

FAREWELL TO A YEAR

Maybe it's true what they say
about it.
Maybe we can't make the ends meet
Maybe we'll all have to do without it
Maybe this world's just incomplete
Still we all look for the truth in
our lives
Searching from different worlds
But we all do the best that we can
Some people see a change
Some will remain the same
But all of them live their lives
under the gun
Some see the road as clear
Some say the end is here
They say it's a hopeless fight
Well I say, I gotta try . . .

VE WILL ALWAYS REMEMBER — 1984-85

Maybe there's too much to think
about
Maybe there ain't nothin' left to
say
But if our time's really runnin'
out
Then this is no time to run away
'cause we're destined to look for
truth in this life
Blinted by tearful eyes
If it's no use tryin' in a
desperate world
Then tell me why was I born
Some people see a change
Some will remain the same

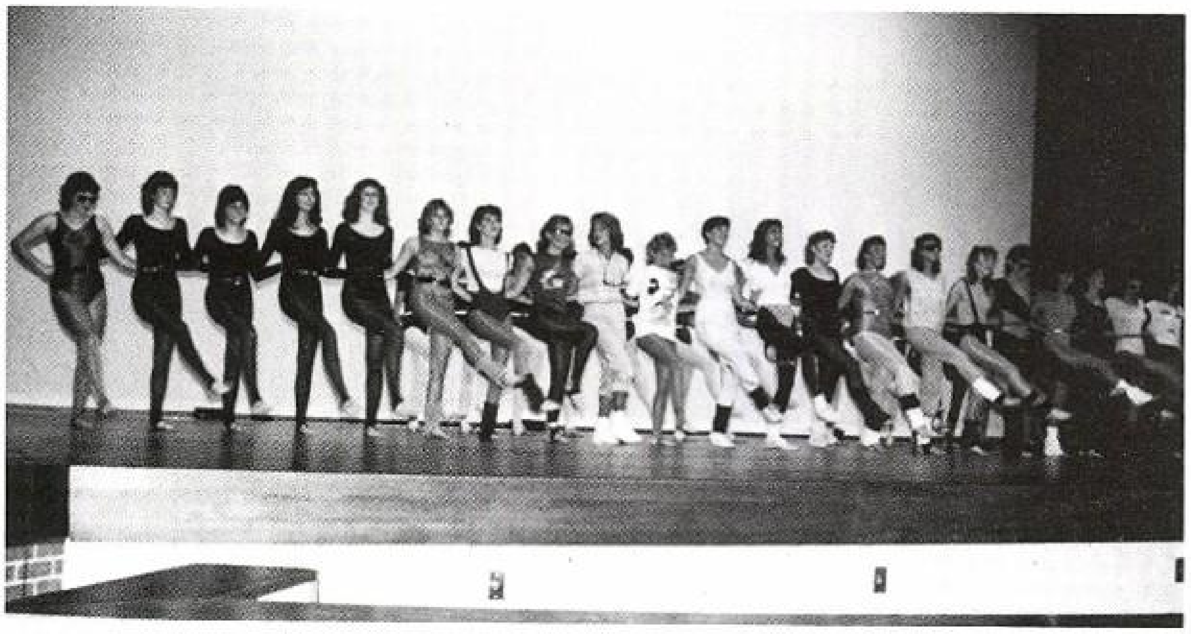
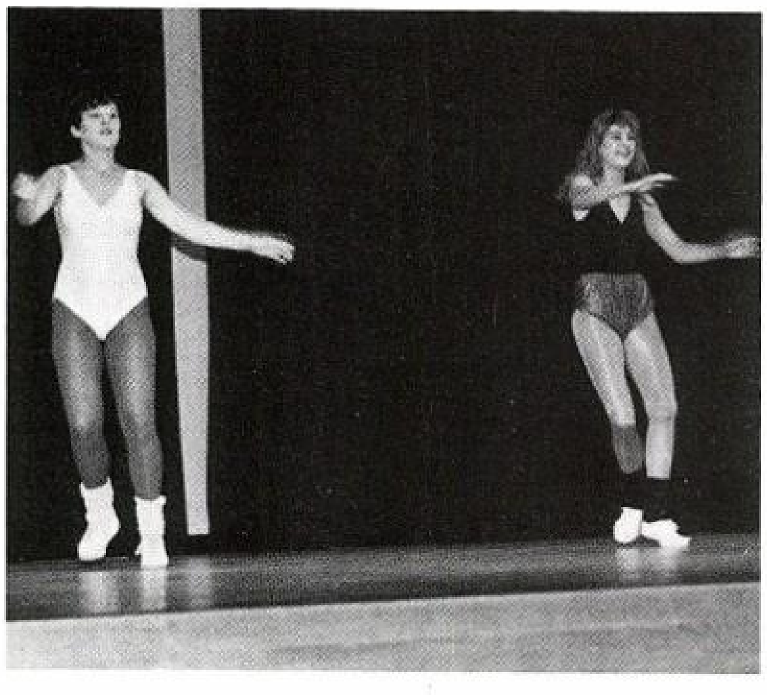
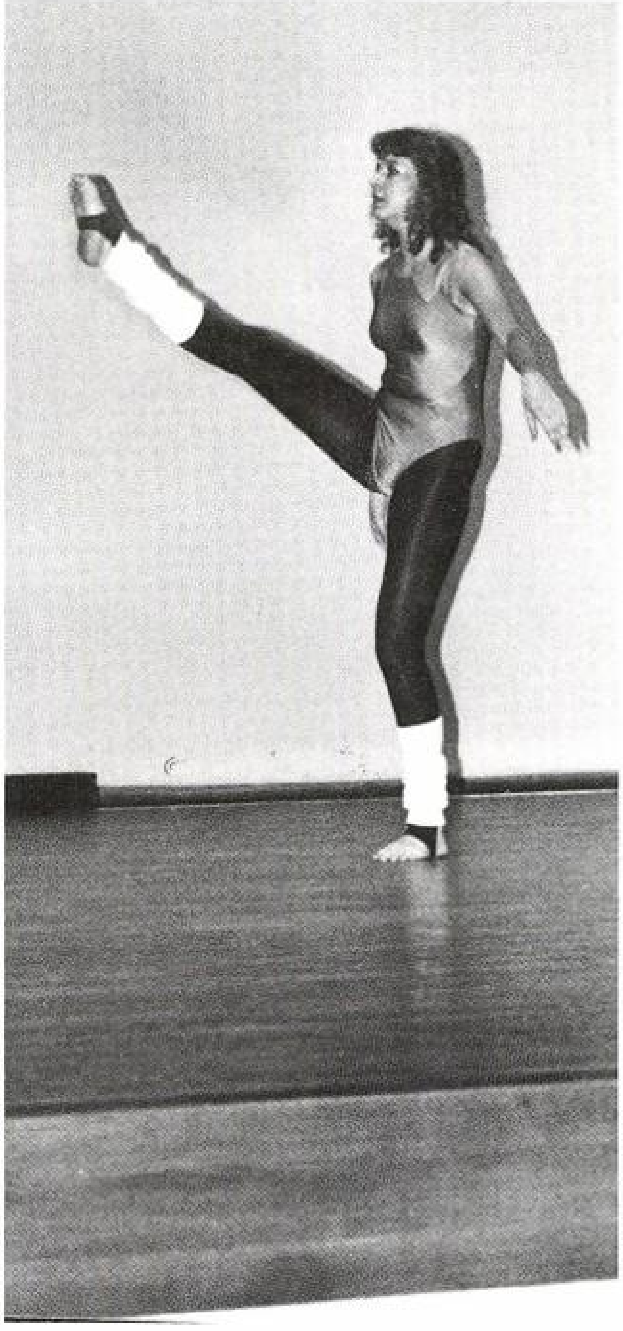
SPRING ACTIVITIES HELP KEEP STUDENTS ALIVE

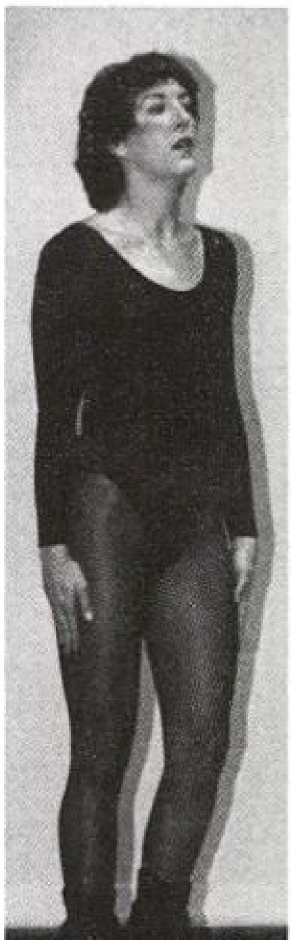
FOOTWORKS





FOOTWORKS IS an annual dance concert put on by the Willis Sweethearts. All of the girls currently on drill team and the girls in the 8th grade can participate in it. This last year girls from the intermediate school were invited to participate in the show. Solos were performed by Kerry Scott, Tina Howell, and Virginia Stipp. A duet was performed by Leslie Scates and Stephanie Bodak. Becky Head performed a solo also. Officers for the 84-85 year were Lesile Scates, Stephanie Bodak, Linda Bielamowicz, Tina Howell, and Kim Miller. The sponsor for the Sweethearts is Ms. Bobbi Gilhousen.





SCIENCE EXPOSE — EXPOSING SCIENCE

Science Expośe 85 was held on April 18 and was an impressive event. More than one hundred enthusiastic science students were involved in conducting some fifty or more experiements and activities in chemistry, physics, biology, physical science and computers. Other students were guides for the more than two hundred eighth grade students who were special guests. Parents and friends also attended the Science Expose that evening. The students did experiments ranging from scientific tuning of musical instruments to the transmutation of simple elements The Science Expose was sponsored by Mr. Frank Banta and Mrs. Judy Ross. Thanks for a great job!

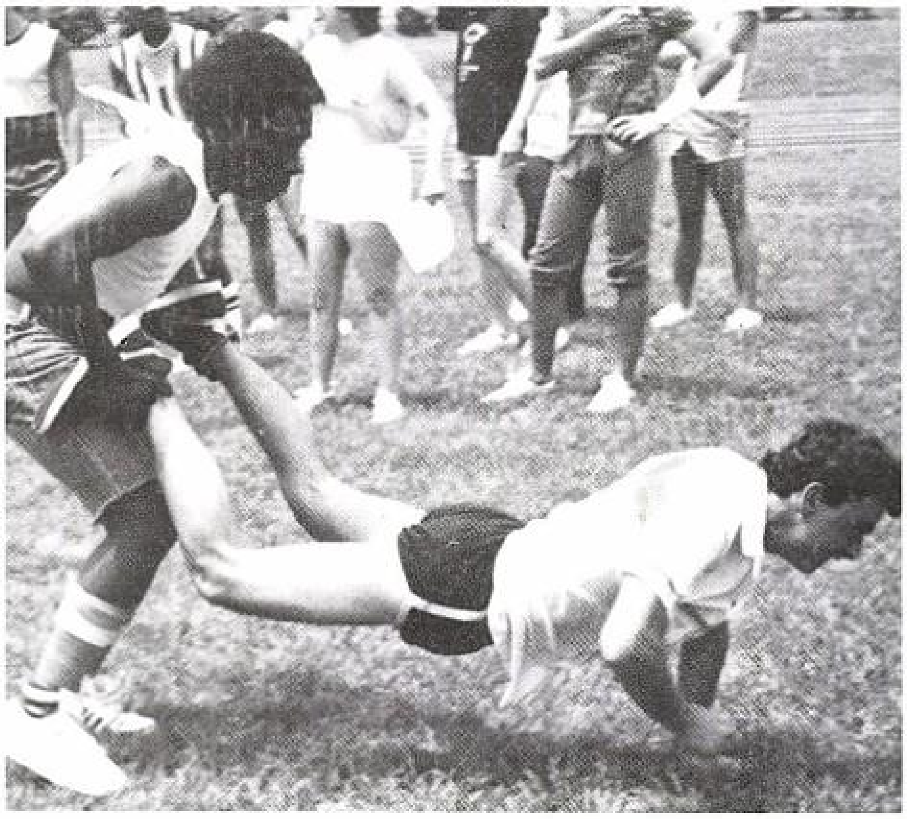
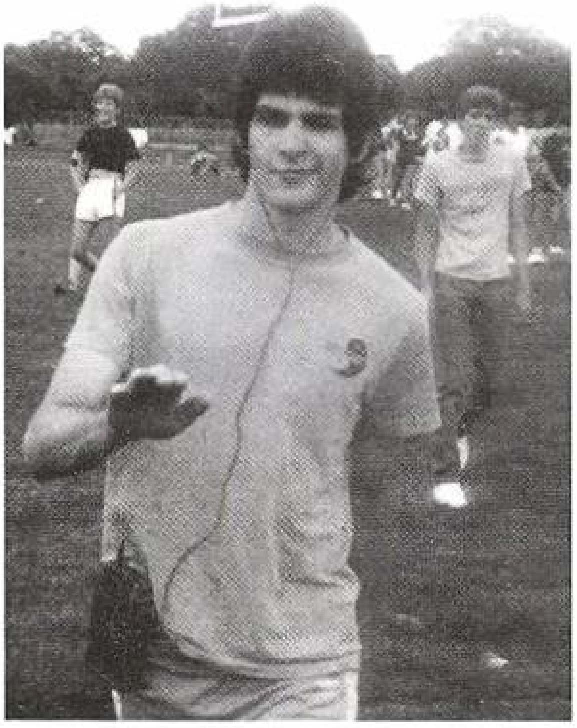
OH NO! IT'S REALLY A BABY SQUID?

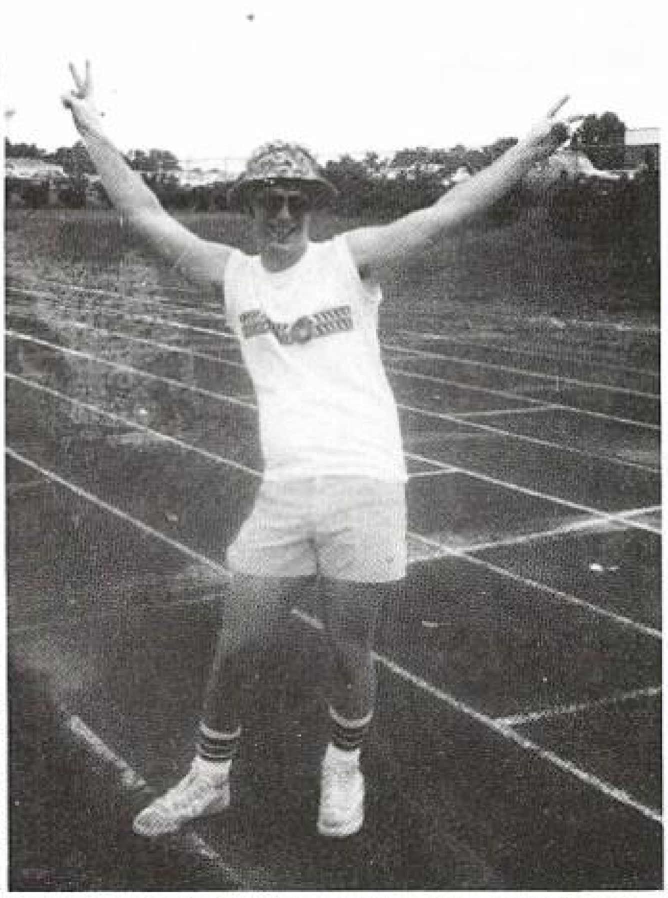
NATURAL HIGH IS A BIG HIT AT W.H.S.





Natural High Olympics

This year's W.H.S. student body saw the arrival of the first Natural High Olympics. Events included the tire roll, egg push, egg toss, water balloon toss, three legged race, potato sack race, orange pass and tug of war. Everyone participated and had a wonderful time. The only tragedy was when Mr. Vela was hit with 6 water balloons.



1. No pain, no gain!
2. Calgon, Take me away!
3. Teams are on their marks for the tire roll.
4. Larry shows a crowd of people how to make the peace sign.
5. That's right, we're going to win!
6. Adrian Long shows you how to be careful.
7. Coach Grozier brings the eggs for the egg toss.
8. Students hold up the banner.

A WORD TO THE STUDENTS

Dear WHS,

The goal of this staff was to capture the special Willis High School pride in a yearbook. Whether the pride surfaced at a football game or in the classroom, Willis proves beyond a shadow of a doubt that there is something unique about a school where the students feel like a family instead of a number.

Willis has an advantage over other schools because, when Willis wins, the school feels united and each student wants to give their best effort to make sure Willis stays on top.

So keep the faith and take an interest in what others have started. Do not let the wall deteriorate because others built it. Someday go look at the trophy rack across from the office and see what trophy you can win for Willis. Join a club and keep your community in mind. It is worth the effort.

Remember always that our school song contains the words "Wildkats never die."

I hope all enjoy this book.

With kindest regards,
1984-85 Wildkat editor
